This book explains the needs and wants of new adults in the public library setting and identifies their preferences in physical space, programming and technology. According to the Pew Research Center's 2015 Libraries at the Crossroads Report, 52 percent of people between the ages of 16 and 29 visited a bookmobile or library within the past year. Yet many public libraries' programming and outreach skip over this demographic, jumping from teen services to older adults. **Library Programs and Services for New Adults** provides a road map for including new adults into the family of the small public library and offers a variety of resources and programming ideas that librarians can use immediately. Author Kyla Hunt, a library technology and trends specialist, explains why the needs of new adults are typically overlooked at public libraries. She defines who new adults are and explains why serving their needs is key to the success of today's public libraries. Readers will come away with an in-depth understanding of the mindset and needs of patrons who are 18 to 29 years old and be able to cater to their preferences as they pertain to physical space, programming, technology and marketing. **This Close to Okay** Leesa Cross-Smith, 2024-06-13 This Close to Okay hits the ground running. Without a second thought, Tallie pulls over and convinces him to join her for a cup of coffee. Eventually, he agrees to come back to her house where he finally shares his name, Emmett. Over the course of the emotionally charged weekend that follows, Tallie makes it her mission to provide a safe space for Emmett. But he isn't the only one who needs healing, and they both are harbouring secrets. As they inch closer to the truth of what brought Emmett to the bridge and the hard truths Tallie has been grappling with since her marriage ended, could their connection lead to love?
