Educating Gifted Students in Middle School Susan Rakow, 2021-09-30. *Educating Gifted Students in Middle School: A Practical Guide*, 3rd ed. helps educators with the challenging task of understanding and meeting the needs of gifted students in middle school. This revised and updated third edition provides a rationale and framework that middle schools can use to fill the service gap for gifted and advanced learners. Addresses the needs of learners from diverse backgrounds. Shows how to implement effective program models. Identifies best practices for the classroom. Shares research-based curriculum models. Topics addressed include school organization, instructional strategies in the basic subject areas, cocurricular and summer programs, the missing link of executive function skills, and counseling at-risk gifted learners. *Educating Gifted Students in Middle School* focuses on creative, practical, and realistic school solutions that create a vital and responsive community for all students.

NAGC Pre-K-Grade 12 Gifted Education Programming Standards Susan K. Johnsen, Debbie Dailey, Alicia Cotabish, 2022-01-31. The Pre-K-Grade 12 Gifted Education Programming Standards should be part of every school district's repertoire of standards to ensure that the

learning needs of advanced students are being met The new edition of this popular book helps schools understand the updates to the standards which have a renewed emphasis on equity and inclusion The six standards focus on student outcomes in learning and development assessment curriculum planning and instruction learning environments programming and professional learning updated from professional development used in the 2010 version This book details these standards and provides suggestions for implementing each one It also includes sample assessments of student products and performances which will assist schools in developing program and service evaluation benchmarks This book is a must have for school leaders and gifted education professionals who want to offer the most effective services for gifted and advanced students It is a service publication of the National Association for Gifted Children Washington DC This designation indicates that this book has been jointly developed with NAGC and that this book passes the highest standards of scholarship research and practice Does Nonfiction Equate Truth?
