Three Hundred years after the epochal Mahabharata War India is still haunted by the shadows of the devastating conflict of the Kuru cousins which almost destroyed the entire land The epicentre of power has now shifted to the kingdom of Vrij situated on the northern banks of the Ganga ruled by an ambitious king who would not stop at anything to lay his hands on the most powerful weapon of the Mahabharata age Soaring ambitions have once again brought the ancient civilisation on the dark brink of another full scale war Against this backdrop a warrior princess is set to change the political legacy of Ancient India guided by her destiny and a phenomenal man who lived three hundred years before her A man who is considered God today but whose greatest contribution lies buried below layers of ancient history And buried below these very layers lies the story of this warrior princess who unravelled the mystery of His code an eternal way to establish dharma in Bharat Will the princess change the way kingdoms in India are ruled What is the destiny of Bharat      **The Divine Codes- Issue2**
