

A lively Representation of the manner  
how his late Majesty was beheaded  
upon the Stafford Jan: 30: 1648.

A representation of the execution of the Kings Judges.

# The Regicides And The Execution Of Charles I

**Matthew Jenkinson**

## **The Regicides And The Execution Of Charles I:**

**The Regicides and the Execution of Charles I** J. Peacey, 2001-10-02 The events surrounding the trial of Charles I have been remarkably understudied by historians despite a wealth of information regarding both the proceedings and personalities involved and contemporary responses and reactions These essays submit one of the most momentous events in English history to rigorous scholarship contextualise it in the light of recent historiography not least regarding relations between the three kingdoms of Britain    **The Trials of Charles the First, and of Some of the Regicides** , 1861

**Killers of the King** Charles Spencer, 2015-01-20 On August 18 1648 with no relief from the siege in sight the royalist garrison holding Colchester Castle surrendered and Oliver Cromwell's army firmly ended the rule of Charles I of England To send a clear message to the fallen monarch the rebels executed four of the senior officers captured at the castle Yet still the king refused to accept he had lost the war As France and other allies mobilized in support of Charles a tribunal was hastily gathered and a death sentence was passed On January 30 1649 the King of England was executed This is the account of the fifty nine regicides the men who signed Charles I's death warrant Recounting a little known corner of British history Charles Spencer explores what happened when the Restoration arrived From George Downing the chief plotter to Richard Ingoldsby who claimed he was forced to sign his name by his cousin Oliver Cromwell and from those who returned to the monarchist cause and betrayed their fellow regicides to those that fled the country in an attempt to escape their punishment Spencer examines the long lasting far reaching consequences not only for those who signed the warrant but also for those who were present at the trial and for England itself A powerful tale of revenge from the dark heart of England's past and a unique contribution to seventeenth century history Killers of the King tells the incredible story of the men who dared to assassinate a monarch    *Why was Charles I Executed?* Clive Holmes, 2006 The execution of Charles I in 1649 followed by the proclamation of a Commonwealth was an extraordinary event in British history Examining key issues surrounding the regicide Clive Holmes looks at how a country descended into civil war    *Who Killed The King?* Robert Temple, 2022-07

**Charles I's Killers in America** Matthew Jenkinson, 2019-06-13 When the British monarchy was restored in 1660 King Charles II was faced with the conundrum of what to do with those who had been involved in the execution of his father eleven years earlier Facing a grisly fate at the gallows some of the men who had signed Charles I's death warrant fled to America Charles I's Killers in America traces the gripping story of two of these men Edward Whalley and William Goffe and their lives in America from their welcome in New England until their deaths there With fascinating insights into the governance of the American colonies in the seventeenth century and how a network of colonists protected the regicides Matthew Jenkinson overturns the enduring theory that Charles II unrelentingly sought revenge for the murder of his father Charles I's Killers in America also illuminates the regicides afterlives with conclusions that have far reaching implications for our understanding of Anglo American political and cultural relations Novels histories poems plays paintings and illustrations featuring the

fugitives were created against the backdrop of America's revolutionary strides towards independence and its forging of a distinctive national identity The history of the king killers was distorted and embellished as they were presented as folk heroes and early champions of liberty protected by proto revolutionaries fighting against English tyranny Jenkinson rewrites this once ubiquitous and misleading historical orthodoxy to reveal a far more subtle and compelling picture of the regicides on the run

**The Trials of Charles the First** ,1832

**The Trials of Charles the First** ,1832

*The Trials of Charles*

*the First and of Some of the Regicides* Charles I (King of England),1832

*The trials of Charles the first, and of some of the regicides* Charles I (King of England),1832

*The Trials of Charles the First, and of Some of the Regicides* ,1839

**Killers**

**of the King** Charles Spencer Spencer,2014-09-01 January 1649 After seven years of fighting in the bloodiest war in Britain's history Parliament had overpowered King Charles I and now faced a problem what to do with a defeated king a king who refused to surrender Parliamentarians resolved to do the unthinkable to disregard the Divine Right of Kings and hold Charles I to account for the appalling suffering and slaughter endured by his people A tribunal of 135 men was hastily gathered in London and although Charles refused to acknowledge the power of his subjects to try him the death sentence was

unanimously passed On an icy winter's day on a scaffold outside Whitehall in an event unique in English history the King of England was executed When the dead king's son Charles II was restored to the throne he set about enacting a deadly wave of retribution against all those the lawyers the judges the officers on the scaffold responsible for his father's death Some of the regicides the killers of the king pleaded for mercy while others stoically awaited their sentence Many went into hiding in England or fled to Europe or America Those who were caught and condemned suffered agonising and degrading ends while others saw out their days in hellish captivity Bestselling historian Charles Spencer explores this violent clash of ideals through the individuals whose fates were determined by that one momentous decision A powerful tale of revenge from the dark heart of royal history and a fascinating insight into the dangers of political and religious allegiance in Stuart England these are the shocking stories of the men who dared to kill a king

**Descendant of a Regicide** Joseph Gough,2005

This book is about a descendant of one of the Regicides A Regicide is a Latin word for King Killer the name given to those judges responsible for the trial and execution of King Charles I in 1649 After the Restoration in 1660 of the monarchy they were accepted from the general pardon granted by the Act of Indemnity At the time 41 of the 59 signers of the death warrant were still alive Fifteen of them fled General Goffe was one of the three that fled to New England Nine of those who signed the warrant and four others closely connected with the trial were hanged Six others who were deemed less politically dangerous were imprisoned for life some were later reprieved General William Goffe a son of a Puritan clergyman was a colonel of infantry and member of the High Court who signed the death warrant of the King He was also one of Cromwell's ten major generals The Regicides or King killers as they were called were after awhile closely hunted but the authorities and people of New England effectively concealed them from their enemies for years I believe that General William Goffe changed his name

to William Gough and lived in Maryland until his death in 1679 This is the year General Goffe died This book is about William Gough s family who I believe are descendants of a Regicide I will also tell what I believe are General William Goffe s English relatives Letter from Author s new found cousin LtCol Michael J Gough USAF Ret In August 2001 after receiving a Gough history I became consumed with the search for my heritage I eventually joined a popular forum and discovered Joseph Gough helping many people understand their Maryland Kentucky heritage I could tell by his answers that we were of the same lineage I answered his request to post my line and was pleasantly surprised by his Hello Cousin reply Since that time Joseph and I have reestablished our family ties while he has helped countless cousins learn their heritage During the course of his research Joseph discovered coincidences that indicated a possible conspiracy of royal proportions The conspiracy involved two fugitives William Goffe was a fugitive from the King Charles II William Gough was a fugitive from English religious persecution Goffe was a Puritan compatriot of Oliver Cromwell Gough was a Catholic gentleman trying to quietly live his life in Maryland By the very nature of conspiracy direct evidence is hard to find Every person associated with Goffe was subject to the King s harsh justice Therefore no direct evidence could exist or all co conspirators were at risk Joseph has compiled a circumstantial case that William Goffe did not die in a cave or basement in the frontier town of Hadley Massachusetts Rather he established his Hadley cover story and then escaped to Maryland where he lived out the remainder of his life Who would look for a proper Puritan in the Catholic Colony of Maryland This is a history book with elements of a mystery novel Read it for its historical content and ponder its mysteries LtCol Michael J Gough USAF Ret **The Trials of Charles the First** Charles I (King of England),1832 *The Regicides* Charles Adams,2024-02-29 Reprint of the original first published in 1883

*English Church history from the death of Charles i. to the death of William iii., 4 lects* Alfred Plummer,1907 **The Indictment, Arraignment, Tryal, and Judgment, at Large, of Twenty-nine Regicides** ,1724 The Lives of the English Regicides Mark Noble,1798 **English Church History, from the Death of Charles I. to the Death of William III.** Alfred Plummer,1907

**Charles I's Killers in America** Matthew Jenkinson,2019-06-13 When the British monarchy was restored in 1660 King Charles II was faced with the conundrum of what to do with those who had been involved in the execution of his father eleven years earlier Facing a grisly fate at the gallows some of the men who had signed Charles I s death warrant fled to America Charles I s Killers in America traces the gripping story of two of these men Edward Whalley and William Goffe and their lives in America from their welcome in New England until their deaths there With fascinating insights into the governance of the American colonies in the seventeenth century and how a network of colonists protected the regicides Matthew Jenkinson overturns the enduring theory that Charles II unrelentingly sought revenge for the murder of his father Charles I s Killers in America also illuminates the regicides afterlives with conclusions that have far reaching implications for our understanding of Anglo American political and cultural relations Novels histories poems plays paintings and illustrations featuring the fugitives were created against the backdrop of America s revolutionary strides towards

independence and its forging of a distinctive national identity The history of the king killers was distorted and embellished as they were presented as folk heroes and early champions of liberty protected by proto revolutionaries fighting against English tyranny Jenkinson rewrites this once ubiquitous and misleading historical orthodoxy to reveal a far more subtle and compelling picture of the regicides on the run

## **The Regicides And The Execution Of Charles I** Book Review: Unveiling the Power of Words

### **The Regicides And The Execution Of Charles I Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Regicides And The Execution Of Charles I has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Regicides And The Execution Of Charles I has opened up a world of possibilities. Downloading The Regicides And The Execution Of Charles I provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Regicides And The Execution Of Charles I has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Regicides And The Execution Of Charles I. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world.

However, it is essential to be cautious while downloading The Regicides And The Execution Of Charles I. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Regicides And The Execution Of Charles I, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download The Regicides And The Execution Of Charles I has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About The Regicides And The Execution Of Charles I Books**

1. Where can I buy The Regicides And The Execution Of Charles I books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
