The Revelation To John:

The Revelation of John James L. Resseguie,2009-04-01 As the only book of its kind in the New Testament Revelation can be difficult to understand and for readers without specialized training the historical critical approach used in many commentaries can provide more complication than illumination Here James Resseguie applies the easily understandable tools introduced in his primer on narrative criticism to this challenging book He shows how Revelation uses such features as rhetoric setting character point of view plot symbolism style and repertoire to construct its meaning This literary approach draws out the theological and homiletical message of the book and highlights its major unifying themes the need to listen well an overwhelmingly God centered perspective and the exodus to a new promised land Here is a valuable aid for pastor and serious lay reader alike

Space provided for note taking **The Revelation to John** , *The Revelation of Jesus Christ to John: Using the Bible to*
Interpret the Bible Jeffrey J. Harrison,2023-04-17 How did the early Messianic believers understand the book of Revelation
How did they understand its often strange and bewildering symbols The answer is surprisingly simple they used the Bible to
interpret the Bible Modern scholars have long noted the similarities between the images of Revelation and those found
elsewhere in the Bible But rarely has this been used as a method to interpret Revelation s meaning By reviving this ancient
method Pastor Jeff Harrison brings clarity to John s visions and makes their message make sense to us today Harrison claims
no privileged knowledge of the future but restricts himself to the text of the Bible in the original languages Jewish culture
and religion and well known facts of history The message that emerges is a challenging one encouraging Christians to
faithfulness and devotion in these dangerous last days The Revelation of Jesus Christ to John is one of Pastor Harrison s most
popular seminars It has been presented to thousands of students in the U S Canada the Philippines and Taiwan It reflects his
study with some of the top Israeli archeologists and Christian scholars in Jerusalem and is enriched by his years as a study
tour teacher in Israel This published version includes not only the same fresh translation of Revelation used in the seminars
but also a new literal translation of all supporting scripture verses from the original languages The second edition includes
several small changes including a larger font size improved clarity at various points in the explanation and additional
references to support assertions made in the text [The Revelation of John, Volume 2](#) William Barclay,1976 The author
presents many picturesque images of Rome as it was under the early Caesars [The Revelation of John](#) Charles R.

schools this book contains the Revised Version text of the Book of Revelation with critical annotations by the then Bishop of
Edinburgh George Walpole Walpole s introduction also provides the reader with some historical background on the

authorship and writing of the book as well as a list of recommended books for further study This volume will be of value to anyone with an interest in Christianity *The Revelation of Saint John* Ian Boxall,2009 Replacing George B Caird s earlier volume fellow Oxford scholar Ian Boxall s new edition in this popular series offers a clear and lucid study of St John s apocalypse Arising out of a critical awareness of the historical and theological issues surrounding the interpretation of Revelation Boxall s exposition opens with an enlightening introduction to the first century context of this difficult book Now available in paperback *The Revelation of St. John* William Milligan,1886 **The Revelation of John, Volume 2** William Barclay,2019-05-15 NOW IN AN ENLARGED PRINT EDITION Here the reader meets many of the picturesque images that are identified with Revelation the four horses and their riders the antichrist the woman clothed with the sun the beast with his number Armageddon William Barclay helps the reader understand and interpret these and many other images drawn from Revelation that have so seized hold of the world s imagination For almost fifty years and for millions of readers the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study Now with the release of the New Daily Study Bible a new generation will appreciate the wisdom of William Barclay With clarification of less familiar illustrations and inclusion of more contemporary language the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives **A Commentary on the Revelation of St. John the Divine** George Bradford Caird,1966 This Commentary opens without lengthy introduction reserving all arguments for the commentary itself in which St John s theme is seen as it unfolds Dr Caird who has made his own translation declares it his purpose to help the reader to put himself in the place of the Asiatic Christians of the first century A D so that he may hear what the Spirit was then saying to the Churches and also be better able to hear what the Spirit is saying to the churches of our own day The Expository Times considered Dr Caird s first edition as not only convincing but exhilarating with a momentum which is rare in books of this kind The new edition leaves the commentary little altered but includes a valuable additional Preface and a revised Bibliography
