Cadwalader Foley, 1909 *The Inescapable Love of God* Thomas Talbott, 2014-11-17 Will the love of God save us all In this book Thomas Talbott seeks to expose the extent to which the Western theological tradition has managed to twist the New Testament message of love forgiveness and hope into a message of fear and guilt According to the New Testament

proclamation he argues God's love is both unconditional in its nature and unlimited in its scope hence no one need fear for example that God's love might suddenly turn into loveless hatred at the moment of one's physical death For God's love remains the same yesterday today and forever But neither should one ignore the New Testament theme of divine judgment which Talbott thinks the Western theological tradition has misunderstood entirely He argues in particular that certain patterns of fallacious reasoning which crop up repeatedly in the works of various theologians and Bible scholars have prevented many from appreciating St Paul's explicit teaching that God is merciful to all in the end This second edition of Talbott's classic work is fully revised updated and substantially expanded with new material *The Chautauquan*, 1895

Paul, the Passionate Scholar John D. Rouse MA, 2014-11-03 This book is God's Word prayerfully unfolding glimpses into the clarifying elements of the Greek text augmented by historical images of his times Designed to arouse believers and further deepen their Christian commitment it can change lives and augment Christian growth of lay readers The language of the NT Greek holds many keys for unlocking the riches of God's palace In a special tour of each chapter one can marvel over stories of valor and tender moments of love lavishly displayed in rich flavors and stirring narratives that invigorate the soul
