They Change The Subject:

Changing Subjects Srikanth Reddy,2012-07-12 Theoretical accounts of modern American poetry often regard literary texts as the expression of a subjectivity irremediably fractured by the dividing practices of power In *Changing Subjects* Srikanth Reddy seeks to redress our critical bias toward a fatalistic poetics of rupture and fragmentation by foregrounding a fluent tradition of writers from Walt Whitman to John Ashbery who explore digression rather than disjunction as a rhetorical strategy for the making of modern poetry Mapping the ramifying topography of literary digression *Changing Subjects* offers a wide ranging anatomy of the excursus within twentieth century American poetics Moving from aesthetics to the archive to narratology to figures of identity Reddy considers various spheres in which American writers revisit and revise our models of purposeful discourse by cultivating a poetics of digression in modern literature In new readings of authors such as Wallace Stevens Marianne Moore Frank O Hara and Lyn Hejinian this study proposes that changing the subject offers a digressive method for negotiating the vexing complexities of art knowledge history and subjectivity under the curious conditions of modernity The book concludes with a survey of Elliptical strategies employed by a new generation of poets writing in the wake of John Ashbery's aleatory craft who seek to extend the digressive project of American poetry into the twenty first century

Revolution, Representation, and Authoritarianism Sarah Wessel,2021-11-29 This book examines Egypt's turbulent and contradictory political period 2011-2015 as key to understanding contemporary politics in the country and the developments in the Arab region after the mass protests in 2010-11 more broadly In doing so it breaks new ground in the study of political representation providing analytical innovation to the study of disenchantment with politics democracy fatigue and social cohesion Based on five years of intense fieldwork the author provides rare insights into local and national ideas on politics justice and identity and on how people situate themselves and Egypt in the regional and global context It analyzes how the creation of an alternate political system was discussed and negotiated among the Egyptian population the military the government public figures the media and international actors and yet nevertheless today Egypt has a new political regime that is the most repressive in the country's modern history Finally it recalls the emotions and perceptions of individuals and collectives and interlinks these local perspectives to national events and developments through time This book will be of key interest to scholars and students of democratization and authoritarianism Middle East Studies political representation and informality collective action and more broadly to cultural studies and international relations
