*The Alchemical Harry Potter* Anne J. Mamary,2021-01-05 When Harry Potter first boards the Hogwarts Express he journeys to a world which Rowling says has alchemy as its internal logic The Philosopher's Stone known for its power to transform base metals into gold and to give immortality to its maker is the subject of the conflict between Harry and Voldemort in the first book of the series But alchemy is not about money or eternal life it is much more about the transformations of desire of power and of people through love Harry's equally remarkable and ordinary power to love leads to his desire to find but not use the Philosopher's Stone at the start of the series and his wish to end the destructive power of the Elder Wand at the end This collection of essays on alchemical symbolism and transformations in Rowling's series demonstrates how Harry's work with magical objects people and creatures transfigure desire power and identity As Harry's leaden existence on Privet Drive is transformed in the company of his friends and teachers the Harry Potter novels have transformed millions of readers inspiring us to find the gold in our ordinary lives

*The Way of the Crucible* Robert Allen Bartlett,2009-11-01 Alchemy is the ancient sacred science concerned with the mysteries of life and consciousness as reflected through all Nature It is a harmonious blending of physical and subtle forces which lifts the subject whether it be man or metal to a more evolved state of being The Way of the Crucible is a ground breaking modern manual on the art of Alchemy that draws on both modern scientific technology and ancient methods A laboratory scientist and chemist Bartlett provides an overview of how practical alchemy works along with treatises on Astrology Qabalah Herbalism and minerals as they relate to Alchemy He also explains what the ancients really meant when they used the term Philosopher's Stone and describes practical methods toward its achievement The Way of the Crucible provides directions for a more advanced understanding of the mineral work what some consider the true domain of Alchemy    **The Monad Manifesto** Dennis William Hauck,2022-03-08 The Monad is the indivisible single source of consciousness and information that created our universe In philosophy the Monad is the origin of all things the totality of both our present existence and all possible future incarnations For theologians it is the Word of God

that created the world In mathematics the Monad is the archetypal origin of all the numbers and geometric shapes that describe Nature Computer scientists view it as the cosmic code embedded in the matrix of reality In science the Monad is the Singularity the Big Bang explosion of light and consciousness from which our universe sprung forth In The Monad Manifesto we explore the mysterious monadic origin of the universe and its relationship to the field of conscious awareness that we all share The book is organized into a central Manifesto and ancillary chapters that expand and document the ideas presented These chapters include The Monad in Philosophy The Monad in Science The Monad in Mathematics and Monad Cosmology We will also explore the ways people experience monadic reality in the chapter Monadic Experiences Then we will learn methods of meditation developed down through the ages to connect to the Source in Monad Meditations **Forthcoming**
