FOURTH EDITION

READINGS WITH FOUR QUESTIONS

JOEL M. CHARON • LEE GARTH VIGILANT

Social Problems Readings

Amanda Konradi, Martha Schmidt

Social Problems Readings:

Social Problems Joel M. Charon, Lee Garth Vigilant, 2005-05 A unique and groundbreaking collection of 54 articles organized in 11 thematic sections SOCIAL PROBLEMS READINGS WITH FOUR QUESTIONS 2e takes a structural conflict approach yet lets the voices of those impacted by social problems be heard The articles are a mix of classic and contemporary readings covering a wide range of issues in the United States and the world The introductory article written by Joel Charon focuses on four questions that students are urged to apply throughout the reader What is the problem What makes the problem a social problem What causes the problem What can be done This four questions approach gives students a consistent sociological framework within which to analyze social problems The articles have been painstakingly selected to hold student interest highlight contemporary social problems and help professors show students how to think sociologically about the social problems around us *Contemporary Readings in Social Problems* Anna Leon-Guerrero, 2008-11-21 Companion reader to Anna Leon Guerrero's *Social Problems* 2nd Edition *Seeing Social Problems* Brandon Lang, Molly Monahan Lang, 2019-12-13 *Seeing Social Problems* Readings on Contemporary Issues in the United States provides students with engaging thought provoking articles that examine a wide array of current social issues the types of behaviors that perpetuate such problems and how these issues affect the daily lives of Americans Students are invited to critically consider how key issues have evolved and changed over time and to devise new ways for society to improve both as people and as a nation The reader is divided into eight sections Opening sections address socioeconomic inequality and poverty racial and ethnic inequality gender inequality and homophobia and crime Later sections explore social problems related to medicine and health families education and the environment The revised first edition features up to date information on several important issues including race gender crime health care drug abuse and pollution Recent developments related to the Black Lives Matter and MeToo movements Obamacare and environmental justice are addressed A new reading concerning the American opioid crisis has also been added Developed to inspire critical thought and a greater understanding of contemporary issues *Seeing Social Problems* is an ideal resource for courses in sociology Brandon Lang earned his Ph D in sociology at North Carolina State University He is an associate professor in the Department of Sociology Social Work and Criminal Justice at Bloomsbury University Dr Lang's areas of interest include the sociology of sports and community public and environmental sociology His writing has appeared in numerous journals including *Culture and Agriculture Technology in Society* and *Journal of Environmental Education* Dr Lang is a member of the International Sociology of Sport Association and the Eastern Sociological Society Molly Monahan Lang earned her Ph D in sociology at North Carolina State University She is an assistant teaching professor of sociology at Penn State Behrend Dr Monahan Lang's research interests include the intersections of race social class and gender within social institutions with particular emphasis on marriages and death dying Social Problems ,2008 **Essential Readings in Social Problems** Yawo Bessa, 2021-07-26 Essential Readings in

Social Problems provides students with a collection of engaging and thought provoking articles that deepen their understanding of the topics and themes discussed within courses that address social issues The anthology is organized into six distinct units The opening unit introduces readers to the concept of the sociological imagination which allows individuals to make connections between social structures and individual conditions to formulate social theories In Unit 2 the readings examine the destructive nature of inequality causes of poverty issues related to gender inequality and more Unit 3 focuses on the concept of deviance and how it applies to sexuality and crime Units 4 and 5 explore the relationship between race ethnicity white privilege and social problems and the intersection of human health and environmental problems Dedicated readings address the social construction of race biodiversity and more Unit 6 the final unit offers readers a variety of proposed solutions for social problems with emphasis on social movements to combat economic inequality increasing authoritarianism and ecological crises Designed to stimulate critical thought Essential Readings in Social Problems is an ideal supplementary text for courses in sociology and any other course that explores social challenges

SAGE Readings for Social Problems Benjamin Drury, 2021-02-23 SAGE Readings for Social Problems is a convenient and economical option for instructors who want to introduce students to scholarly literature in their social problems courses It contains 16 short readings on topics covered in typical courses including economic inequality race gender crime substance abuse education health medicine the environment family and the social construction of social problems The articles in this collection were all chosen because they are accessible to undergraduate avoid complicated statistical analysis and demonstrate the range of methodological approaches to studying social problems

Readings in Social Problems Albert Benedict Wolfe, 1916

Social Problems Donileen Loseke, 2017-09-20 This collection of focused essays is directed at several levels of students of social problems It is accessible to the uninitiated who are not familiar with the constructionist literature and aimed at those who are not particularly interested in subtle theoretical and empirical issues of concern to academics studying social problems from constructionist perspectives Some readings focus on the construction of problems by scientists and other professionals others examine the work of social activists mass media and social service personnel Among the topics included are studies of social inequalities and individual deviance a comparison of the images of social problems in the United States with those in other countries and an examination of the importance of politics and power in constructing public images of social problems Constructionist perspectives have become the leading theoretical approach for sociology and allied fields in studying social problems Yet constructionists impact on the teaching of social problems has been far less dramatic Undergraduate courses on social problems are often subject to a theoretical barrage of eclectic perspectives Just as the first social problems textbooks did almost a century ago textbooks continue to present a series of unrelated chapters each devoted to a particular social problem Social Problems is an effort at systematic analysis rather than random thought on the subject Social Problems presents detailed case studies demonstrating how constructionist perspectives can actually be applied to

understand particular social problems While these articles can be read alone the editors have organized these selections to correspond with the chapter topics in the second edition of Donileen Loseke's *Thinking about Social Problems* an accessible introduction to constructionist approaches At the same time some instructors who use this edited collection might wish to provide their own mix to the selection process Many of the contributions make multiple points and so reasonably could be used to illustrate other basic texts or classic studies in the field of social problems

Radical Perspectives on Social Problems Frank Lindenfeld, 1973 *Troubled Times* Robert H. Lauer, Jeanette C. Lauer, 2000 Lauer and Lauer's provocative anthology *Troubled Times Readings in Social Problems* introduces students to a wide ranging spectrum of social problems in the United States The editors have selected articles that are informative stimulating and particularly relevant to student's lives Students are encouraged to think critically about social problems through introductions for each unit and each article Each section's thought provoking introduction provides a general overview and grounds each selection in a larger context which helps readers understand the relevance of the selections that follow These introductions also identify and explain central issues key concepts and relationships among topics *Troubled Times Readings in Social Problems* offers the following benefits to instructors as well as students A focus on macro and micro factors involved in social problems This volume takes into account the interplay of social structural and social psychological factors for each problem covered Personal application and involvement projects At the end of each section is a project for personal application and involvement These projects guide students in thinking about both how their lives may be affected by the problems discussed and how to engage in further research on their own Stimulates critical thinking and class discussion Each selection begins with a focus question and concludes with critical thinking questions A focus on diversity Most social problems have a severe impact on women and racial ethnic minorities The selections chosen in this reader reflect an emphasis on gender and race ethnicity issues A discussion of solutions as well as problems Several articles include discussion of possible solutions Additionally the Epilogue offers some guiding principles for beginning to deal with social problems

Readings in Social Problems, 1975 *Readings on Social Problems* William Feigelman, 1990 *Contemporary Social Problems (First Edition)* Brandon Lang, Molly Lang, 2017-08-15 The reader *Seeing Social Problems Readings on Contemporary Issues in the United States* examines a wide array of social problems that currently exist in the United States and that impact every member of society Designed to present the kind of information found in a standard textbook but in an accessible relatable high interest way the text links the readings to real world issues of the day The carefully curated reading selections are organized into eight sections each of which includes several articles Topics include socioeconomic inequality and poverty racial and ethnic inequality gender inequality and homophobia and crime Students also explore social problems as they are manifested in medicine and health families and education as well as environmental social problems Each section begins with an introduction that features basic information and instructional content related to the topic The chapter readings then provide

a variety of perspectives Developed to be specific and manageable in scope while also increasing students understanding of foundational concepts Seeing Social Problems is well suited to survey courses in sociology that focus on society s challenges

Crossroads Kathleen Anne Tiemann,2001 Readings in Social Problems Albert Benedict Wolfe,1916 *Social Problems* James M. Henslin,2007-06-19 This brief and economical reader edited by Jim Henslin is a good choice for any social problems course in combination with Henslin Social Problems A Down to Earth Approach another social problems text or by itself Seeing the Social Context can be ordered separately or value packed with Social Problems A Down to Earth Approach Eighth Edition for an additional 5 net The package ISBN is 0 205 59088 8 **Reading Between the Lines** Amanda Konradi,Martha Schmidt,2001 Drawing from a wide selection of current research and writings Reading Between the Lines brings together accessible readings that examine a broad range of social problems and reflect different conceptual approaches The text provides a conceptual framework for understanding social problems and enables an integrated race class and gender analysis **Social Problems** ,2007 *Radical Perspectives on Social Problems* Frank Lindenfeld,1986

Social Problems Anna Leon-Guerrero,2013-04-03 Empower your students to become part of the solution With a clear and upbeat voice this thought provoking overview of social problems challenges readers to understand and recognize social problems in their communities and inspires them to become part of the solution The Fourth Edition of this popular book goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions With an overarching focus on social inequalities and policy this proven text provides a platform for discussion that encourages critical thinking and inspires hope

The book delves into Social Problems Readings. Social Problems Readings is a vital topic that needs to be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Social Problems Readings, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
