Syria Rise Radical Islamist Groups

Barry M. Rubin

Syria Rise Radical Islamist Groups:

Syria and the Rise of Radical Islamist Groups Naval Postgraduate School, 2015-12-10 The Syrian uprising began as a secular nationalist struggle in 2011 but gradually devolved into a vortex of sectarian warfare with more than 200 000 dead and another 10 million displaced. Amid the chaos the radical Sunni Islamist groups Ahrar al Sham Jabhat al Nusra and the Islamic State became the most prominent in the conflict. This book explores why and how the groups emerged in Syria rose to power and proliferated to unprecedented levels by tracing the progression of the Syrian conflict through three cycles of contestation protest insurgency and civil war. Combining elements from social movement insurgency and radicalization theories as well as civil war literature this book dissects the radical Islamist ideology the institutional legacies from prior struggles and the role of external sponsors and places each in the context of the Syrian conflict. History has proven that the radical Islamists fighting in Syria today are the next generation of leaders in the global jihad movement. Understanding their rise to power provides crucial insight to our future enemies. This book seeks to go beyond a recitation of facts and links multiple frameworks with the rise of the most powerful radical Islamist groups in the Syrian conflict.

Syria Rajendra M. Abhyankar, 2020-09-08 The book focuses through multiple levels of international reality on the pervasive and widespread effect of the Syrian civil war on the unravelling of established norms both global or national which have determined international relations during the last seven decades. It postulates that since 2011 the Syrian situation has catalysed the breakdown of the international system based on the United Nations and the Bretton Woods institutions. The core international values fostered by that system now laid waste among others are sovereignty non interference sanctity of UN Security Council approval for waging war human rights protection of civilian populations and the right of people to choose their own governments leaders. By making the UNSC powerless in providing humanitarian assistance or fostering cease fire and peace making it has called into question the principles which have been held immutable for seventy years. More importantly these norms have been breached by their originators. The book takes a wider perspective melding together the civil war's international regional and national consequences to understand how and why this one event has radiated profound consequences for the international system.

Syria and the Rise of Radical Islamist Groups Naval Postgraduate Naval Postgraduate School, 2015-05-16 The Syrian uprising began as a secular nationalist struggle in 2011 but gradually devolved into a vortex of sectarian warfare with more than 200 000 dead and another 10 million displaced. Amid the chaos the radical Sunni Islamist groups Ahrar al Sham Jabhat al Nusra and the Islamic State became the most prominent in the conflict. This thesis explores why and how the groups emerged in Syria rose to power and proliferated to unprecedented levels by tracing the progression of the Syrian conflict through three cycles of contestation protest insurgency and civil war. Combining elements from social movement insurgency and radicalization theories as well as civil war literature this thesis dissects the radical Islamist ideology the institutional legacies from prior struggles and the role of external sponsors and places each in

the context of the Syrian conflict History has proven that the radical Islamists fighting in Syria today are the next generation of leaders in the global jihad movement Understanding their rise to power provides crucial insight to our future enemies This thesis seeks to go beyond a recitation of facts and links multiple frameworks with the rise of the most powerful radical Islamist groups in the Syrian conflict

The Caliphate at War Ahmed Hashim,2018-02-01

ISIS's astonishing and unexpected military victories in 2014 and 2015 redrew the geopolitical map of the Middle East Media attention focused on the organisation's savage treatment of its enemies and its ability to attract foreign fighters but as this dispassionate book demonstrates it also made important innovations in strategy ideology and governance Ahmed S Hashim argues that by focusing their ideology first and foremost on extreme anti-Shia sectarianism rather than on Western infidels ISIS founders were able to present themselves as the saviours of what they saw as the embattled Sunni nation in Iraq This enabled them to win the support of Sunni communities Moreover ISIS's stunning ability to take major cities was a result of its innovative tactics It sowed terror in advance of its attacks by using targeted assassinations to kill key city leaders and its decentralised regional command structure facilitated an unusual degree of coordination between small assault units At the same time the organisation made a serious effort to engage in state building and population control By going beyond the often starkly unpleasant current affairs of the Islamic State The Caliphate at War undertakes an essential investigation into the successes of the group to better understand how the movement has survived thrived and reshaped the Middle East

Violence in

Islamic Thought from European Imperialism to the Post-Colonial Era Robert Gleave,Mustafa Baig,2021-04-06

This volume shows the diversity of approaches to violence in Islamic thought between the 19th century and the present day avoiding the limiting characterisations of Islam being inherently violent or peaceful It shows how ideas of justified violence grounded in Islamic theological and juristic traditions reoccur throughout history up to the contemporary period Chapters on earlier events provide context for contemporary debates on violence showing how traditional legal and theological ideas such as the sovereignty of God's law and peace treaties are used to both legitimise and de-legitimise violence

Role Theory in

the Middle East and North Africa Yasemin Akbaba,Özgür Özdamar,2019-05-15

Since December 2010 a series of uprisings revolutions coups and civil wars have shaken up the Middle East and North Africa region In this chaotic political environment several countries have been trying to influence this regional transformation The implications of this transformation are of great importance for the region its people and global politics Using a rich combination of primary and secondary sources elite interviews and content analysis Yasemin Akbaba and Özgür Özdamar apply role theory to analyze ideational e.g. identity religion and material e.g. security economy sources of national role conceptions in Egypt Iran Saudi Arabia and Turkey The authors take a closer look at the transformation of these four powers foreign policies since the beginning of Arab uprisings with a specific focus on religion Each case study is written to a common template allowing for clear comparative analyses Written in a clear and accessible style Role Theory in the Middle East and North Africa offers a thought provoking and

pioneering insight into the usefulness of role theory in foreign policy making in the developing world The perfect combination of theoretically oriented and empirically rich analysis make this volume an ideal resource for scholars and researchers of International Relations Foreign Policy Middle East Politics and International Security *Contemporary Intelligence Warning Cases* Bjorn Elias Mikalsen Gronning, Stig Stenslie, 2024-12-31 Contemporary Intelligence Warning Cases presents lessons learned and recommendations for producers and users of intelligence warning in their joint venture to anticipate prepare for mitigate and prevent future threats to national security It presents and synthesizes the findings of 16 contemporary intelligence warning case studies undertaken by leading intelligence scholars and former intelligence practitioners It is the first multi case study of intelligence warning and adopts a uniquely broad and contemporary approach to the phenomenon featuring both successful and failed cases Consistent with the increasing complexity of intelligence problems and scope of intelligence services it ranges from traditional warning problems such as invasions and wars through terrorist attacks to threats that lie beyond the traditional core scope of intelligence services such as pandemics financial crises climate change strategic acquisitions and attacks on cultural heritage

The Clash of Ideologies Mark L. Haas, 2012-04-19 How do ideologies shape international relations in general and Middle Eastern countries relations with the United States in particular The Clash of Ideologies by Mark L Haas explores this critical question Haas's central claim is that leaders ideological beliefs are likely to have profound effects on these individuals perceptions of international threats These threat perceptions in turn shape leaders core security policies including choices of allies and enemies and efforts to spread their ideological principles abroad as a key means of advancing their interests Two variables are particularly important in this process the degree of ideological differences dividing different groups of decision makers ideological distance and the number of prominent ideologies that are present in a particular system ideological polarity The argument is tested in four case studies of states foreign policies primarily since the end of the Cold War Iran Saudi Arabia Syria and Turkey As the argument predicts ideological differences in these cases were a key cause of international conflict and ideological similarities a source of cooperation Moreover different ideological groups in the same country at the same time often possessed very different understandings of their threat environments and thus very different foreign policy preferences These are findings that other prominent international relations theories particularly realism cannot explain The purposes of the book go beyond advancing theoretical debates in the international relations literature It also aims to provide policy guidance on key international security issues These prescriptions are designed to advance America's interests in the Middle East in particular namely how U.S. leaders should best respond to the ideological dynamics that exist in the region **Middle Eastern Minorities** Ibrahim Zabad, 2017-03-27 This is a comprehensive survey of minorities in the Middle East with a special focus on the post Arab Spring era Minority communities in the Middle East are the most susceptible to the turbulence engulfing the region the majority may suffer physical violence and socioeconomic loss but minorities could potentially vanish Instead of ushering in

democracy and inclusive politics the revolutionary upheavals have prompted chaos and fear and reinforced the resurgence of Islamic fundamentalism throughout the region Zabad uses historical sources as well as first hand interviews to vividly describe the current status of minorities in the Middle East explaining attitudes towards the revolutionary upheavals as well as the various strategies they used to avail themselves of the opportunities presented and to confront the risks posed The question of ethnic sectarian and religious minorities is situated in the context of the broader history of the region in order to explain the underlying institutional and ideological factors that caused their predicament and problematized their relationship with the majority The book provides a rich trove of information and insights generated from ten case studies that covered the Sh a in Saudi Arabia Bahrain Lebanon and Egypt the Druze the Alawites Christians and Kurds in Syria the Copts in Egypt and the Zaydis in Yemen *Political Islam: Strategies and tactics : Islamism among Arabs* Barry M. Rubin, 2007

Organized into sections this book discusses the origins and world view of political Islam and its relationship with issues of terrorism and democracy This three volume collection also includes case studies that examine the ideas strategy tactics leadership and opposition to the movement both in the Middle East and in other parts of the world *Islam Tweets*.

Changing Power Structures due to Social Media Mathias Hörlesberger, 2019-09-02 We have reached a point of connectivity and information sharing unprecedented in human history undoubtedly influencing all spheres of society Since the introduction of the web 2.0 and with it the rise of social media platforms human connectivity has steadily continued increasing This connectivity also promotes news and statements from different religions Mathias Hörlesberger explores how social media and alternative Salafi networks on Twitter challenge the notion of Jihad within a global religious context Hörlesberger examines online group behaviour and particularly religious group behaviour He contributes to the lacking debate on religion and Network Society and New Media Communication By analyzing Twitter content of three Muslim scholars and juxtaposing their content with the ways ISIS uses its Twitter accounts Hörlesberger adds to the ongoing debate of netwar In this book ISIS jihad Muslim Islam web 2.0 *Islamic Political Culture, Democracy, and Human Rights* Daniel E.

Price, 1999-06-30 What effect does Islamic political culture have on democracy and human rights practices The author of this book suggests that too much emphasis is being placed on the power of Islam as a political force stating that the political power of Islam can be better explained by other factors *Radical Islamic Fundamentalism Update*, 1999-05 *Middle East Imbroglio* P. S. Link, 1996 Middle East Imbroglio Status Prospects *Revolutionaries and Reformers* Barry M.

Rubin, 2003-01-30 Looks at Islamist movements seeking power today and the difficult choices they face *Freedom in the World*, 2001 *Patterns of Global Terrorism, 1993, 1994* *Jane's Intelligence Digest*, 2008 *Issues for Debate in American Public Policy* CQ Press, 2004 Contains a collection of sixteen articles reprinted from The CQ Researcher that provide facts and analysis of a wide range of public interest topics arranged in seven general categories including education health care and social policy environment civil liberties business and foreign policy *Historical Abstracts* Eric H.

Boehm, 1998

Syria Rise Radical Islamist Groups Introduction

In today's digital age, the availability of Syria Rise Radical Islamist Groups books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Syria Rise Radical Islamist Groups books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Syria Rise Radical Islamist Groups books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Syria Rise Radical Islamist Groups versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Syria Rise Radical Islamist Groups books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Syria Rise Radical Islamist Groups books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Syria Rise Radical Islamist Groups books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and

making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Syria Rise Radical Islamist Groups books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Syria Rise Radical Islamist Groups books and manuals for download and embark on your journey of knowledge?

FAQs About Syria Rise Radical Islamist Groups Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
