struggling she's realized she needs to break up with Michael. It's not easy. Fortunately both Doug and Disneyland help Katie to cheer up. Christy is learning to let go and get out of the way so that her friends can become who they're meant to be even when it jeopardizes her own sweet dreams. A Promise Is Forever. Christy Miller's going to Europe. It's a three week missions trip with Doug, Katie and Tracy. First stop London for some sightseeing and then a castle in the English countryside for group training. Christy is so excited to be headed for Belfast with her friends despite some tension among them. But when plans go topsy turvy at the last minute Christy must face her fears and realize that some things are more important than her own comfort and that even when she can't foresee the end result a promise truly is forever. Story Behind the Book. The Christy Miller series was actually born when a group of thirteen year olds challenged me to write a novel. I'd been questioning the content of their favorite books when they said Why don't you write a book for us. I told them no. I only wrote picture books. But they persisted. How hard could it be. We'll even tell you what to write. We want a love story with teenagers at the beach. And there you go. Summer Promise first released seventeen years ago and is now translated into five languages. I continue to hear from readers all over the world many girls saying that they gave their life to Christ after reading Summer Promise. I love that. Robin Jones Gunn. Sierra Jensen Collection, Vol 3 Robin Jones Gunn, 2009-02-19. Happenstance or God's Great Plan. She's the bold free spirited type. She's cute she's fun and she's following God. She's Sierra Jensen. Christy Miller's good friend ready for her junior year of high school. All twelve books in the popular Sierra Jensen series come together in four volumes to reveal the ups and downs of Sierra's incredible God led journey. Volume Three. An exciting trip to Europe challenges Sierra to Open Your Heart to loving others without expectations. At the start of her senior year only Time Will Tell the truth about Sierra's friendships. And in Now Picture This she wonders if her relationship with Paul is as picture perfect as she thinks. Christy Miller knows a good friend when she meets her and so will you. Sierra Jensen is at it again. Open Your Heart. What an adventure. Having Christy Miller invite Sierra on an all expenses paid trip to Europe was amazing but that was just the beginning. Sierra never imagined she'd meet someone like Alex a dark eyed Russian college student who's a Christian. Or that they'd all come face to face with disaster. Through it all one question haunts Sierra can she learn to love others without expecting anything in return. Will she finally be able to open her heart to others and to God. Time Will Tell. Sierra's senior year of high school is here but after the great summer she just had how can it be anything but a letdown. Sure enough the year tanks big time when the school issues her buddy Randy an ultimatum. Stuck in the middle Sierra wonders what's right. Her friend or the rules. She longs to talk it over with Amy but Sierra's best friend still isn't talking to her. What's worse she hasn't heard a word from Paul. No doubt about it this school year is totally frustrating. Will Sierra ever understand her friendships or God's plans for them. Now Picture This. Why can't everyone just leave Sierra alone. All she wants to do is find a place to read the letter she just received from Paul to soak in every word and memorize the photo he sent her but Thanksgiving at the Jensen house means relatives everywhere. Sierra hides out immersed in her ideas for Paul's birthday and Christmas gifts.

especially his requested gift a photo of her Sierra s determined the photo has to be spectacular But a small voice of doubt nags at her What does God think of her ignoring her family and friends this way Is her picture perfect relationship with Paul really all she thinks it is Story Behind the Book After writing the twelve book Christy Miller series for teens a new character showed up on the pages of the final novel Her name was Sierra Jensen and she was so compelling as a teenage character that readers began asking for a series about Sierra in order to hear more about her life choices Our family had just moved to Portland at the time and I found it easy to picture a sixteen year old like Sierra shopping at the local vintage clothing stores hanging out with friends at a garage band concert and serving at the homeless shelter on weekends Robin Jones Gunn
