Word Work Activities For Daily Five:

The Daily 5 Gail Boushey, Joan Moser, 2006 Do you love teaching but feel exhausted from the energy you expend cajoling disciplining and directing students on a daily basis Are you questioning the value of busy work but afraid that ceasing from such activities will lead to chaos in the classroom Have you heard the phrase work smarter not harder but don't have a clue how to start If so you'll want to meet The Sisters Gail Boushey and Joan Moser They set about designing a structure that would ensure all children were working at their level of challenge while taking responsibility for their learning and behaviour and that would provide meaningful instruction blocks without extensive preparation time for teachers Thus the Daily Five was born Based on literacy learning and motivation research the Daily Five has been practiced and refined in their own classrooms for 10 years and shared with thousands of teachers throughout the United States The Daily Five is a series of literacy tasks reading to self reading with someone writing word work and listening to reading which students complete daily while the teacher meets with small groups or confers with individuals

Literacy Theory as Practice Lara J. Handsfield, 2015-10-01 This comprehensive textbook introduces readers to the most influential theories and models of reading and literacy ranging from behaviorism and early information processing theories to social constructionist and critical theories Focusing on how these theories connect with different curricular approaches to literacy instruction pre K to grade 12 the author shows how they both shape and are shaped by everyday literacy practices in classrooms Readers are invited to explore detailed vignettes that offer a practice based view of theories as they are brought to life in the classroom Unlike other books on literacy theories this one devotes substantial attention to linguistically and culturally diverse classrooms and 21st century technologies Book Features Descriptions of well known curricular models and assessment approaches Detailed examples from specific areas of reading and literacy instruction that are prominent in today's schools Textbox discussions exploring histories terminology and debates relevant to the theories presented Examination of how theories and practices relate to current policy initiatives such as the Common Core State Standards User friendly text features such as charts reference lists and inset boxes to help clarify complex concepts In these times when teachers are maligned in both the popular press and professional literature a volume such as this offers the potential to provide intellectual freedom in the complex work of teaching From the Foreword by Annemarie Sullivan Palincsar University of Michigan Finally a text that brings together and honors multiple perspectives and makes clear the power of a good theory for making sense of our worldviews Handsfield provides elegant demonstrations of the relations of literacy theories to actions decisions and practices A must read for literacy educators and researchers Victoria Risko Vanderbilt University

Getting to the Common Core Sharon L. Spencer, Sandra A. Vavra, 2015-01-20 This book demonstrates how teachers use research based strategies to meet Common Core Standards while focusing on students It includes examples from various grade levels showing strategy implementation student work samples and reflections The book emphasizes practical approaches and the flexibility of

strategies across subjects
