

Workday - User Guide to Performance Management (CAP)

The following step-by-step guide is designed to walk employees and managers through the Performance Management process (CAP) in Workday. Part 1 refers to the Goal-setting process. Users needing assistance at any point in the process should contact their Human Resources Business Partner.

The image displays two screenshots of the Workday Performance Management interface. The top screenshot shows the 'My Goals' dashboard for a user named Michael Kim. A callout box states: "HRSS pushes out Step 1 to managers, and it appears in inbox. Manager initiates goals, but may have had input from employee." The bottom screenshot shows the 'Get Content - Input Goals' screen. A callout box states: "Following instructions, enter form by selecting Go to Guided Editor." The interface includes various navigation links and a central area for goal input.
