**Co-Dependence Healing the Human Condition** Charles Whitfield,2010-01-01 Of all the books on the often misunderstood concept of co dependence this is probably the clearest most complete and informative Charles Whitfield is a frontline clinician who has been assisting co dependents in their healing for over twenty years He has researched the literature on co dependence which he summarizes in this widely read book He sees co dependence as a way to more accurately describe the painful and confusing part of the human condition In careful detail he describes just what co dependence is and what it is not how it comes about and how to heal its painful aftereffects

## **Curriculum and the Life**

**Erratic** Leslie B. Nissen,2013-10-30 Curriculum and the Life Erratic The Geographic Cure lays bare the untold damage done to children who are forced to endure the toxic combination of fermented parenting as author Leslie Nissen has termed it and frequent family moves at the hands of alcoholic parents who perpetually seek the elusive Geographic Cure While such parents deceive themselves that in the next new place sobriety will prevail their children know better Alcoholics who chronically uproot their families for a fresh start usually carry along every reason to drink For the school age children of such cure seeking alcoholics the torment of life with a volatile unpredictable and chronically intoxicated parent is intensified by the anguish of being the new kid who changes schools at the whim of the parent Highly mobile children bearing an alarmingly long list of prior schools may be part of a group which Nissen calls Geographic Cure Children whose chances of

finding help are nearly non existent despite their acute need for care The dilemma of this unique subset of Children of Alcoholics is examined via autobiographical psychoanalytic and fictional lenses Nissen also recounts her own urge to hit the road when diagnosed with cancer and explores the Geographic Cure writ large observing how the current testing frenzy and clamor for cures for low test scores dominate educational policy Could teachers panic about accountability cause them to resent new students who appear at their classroom doors mid year Is education encumbered because at the hands of policy makers educators are working the Life Erratic
