*Media Today* Joseph Turow, 2026-03-05 This ninth edition of Joseph Turow's pathbreaking media textbook uses convergence as a lens that puts students at the center of the profound changes in the 21st century media world. It teaches students to think critically about the role of media and what these changes mean for their lives. The book's media systems approach helps students to look carefully at how media content is created, distributed, and exhibited in the new world that the digital revolution has created. From news media to video games and social networking to mobile platforms and streaming, it provides students with the tools they need to understand and critique the media they encounter and consume. The first part examines the media world as a whole, while the second delves deep into key media industries such as the movie, television, and video streaming and video game industries. This new edition includes critical expanded coverage of social media, economies, cross-border media issues, the rise of news influencers and subscription platforms, and the growing use of predictive and generative artificial intelligence, as well as brand new case studies and updated figures, tables, and pedagogy, including key terms and further activities. *Media Today* is an excellent introduction to the world of media in the digital age, perfect for students seeking a solid grounding in media studies. Extensive pedagogical materials also make this a highly teachable book, well suited to the classroom. The accompanying website has also been updated with new student and instructor resources, including chapter recaps, recommended readings, and instructor's manual.

*Toma el control de tus datos* Alicia Asín, 2024-04-17. Tu privacidad está expuesta en Internet. Defiéndela. Alicia Asín nos da las herramientas para ser más libres o conscientes del entorno en el que nos movemos a través de ejemplos muy prácticos con definiciones sencillas que permitan a todo el mundo entender el papel que juegan las tecnologías en nuestra vida privada y en nuestro entorno social. Debemos conocer las consecuencias que tiene el uso indiscriminado de nuestros datos a muchos niveles: rastro digital, uso de la privacidad de las redes sociales, compra-venta en la Dark Web, pero también el uso aparentemente legítimo que muchas empresas hacen de nuestro comportamiento digital.
