Reading Comprehension Ideas Open Now:

Reading Comprehension Camille L. Z. Blachowicz, Donna Ogle, 2008-05-05 This practical resource and widely used text presents a wealth of research based approaches to comprehension instruction. The authors offer specific classroom practices that help K-9 students compare and evaluate print and online sources, develop vocabulary, build study and test-taking skills, and become motivated readers.

Teaching Kids with Learning Difficulties in Today's Classroom Susan Winebrenner, Lisa Kiss, 2017-02-28 A gold mine of practical, easy-to-use teaching methods, strategies, and tips to improve learning outcomes for students who score below proficiency levels. This fully revised and updated third edition of *Teaching Kids with Learning Difficulties in Today's Classroom* provides information on integrated learning, problem solving, and critical thinking in line with Common Core State Standards and 21st century skills. It reflects the use of technology and schoolwide cluster grouping in support of all students and includes proven, practical classroom tested strategies and step-by-step instructions for how to use them. Sidebars throughout highlight special information for working with students on the autism spectrum. Tech tips describe technologies that are especially useful for kids with LD. Digital content includes all of the book's customizable forms, additional content organization charts, and a PDF presentation for book study groups and professional development.

50 Strategies for Improving Vocabulary, Comprehension, and Fluency Adrienne L. Herrell, Michael Jordan, 2006 A practical approach of step-by-step instructional procedures for developing key literacy skills. Each strategy is supported by an authentic classroom example. An additional example of each strategy is provided on the accompanying CD.

SRA Open Court Reading Marilyn Jager Adams, 2002 Contains materials designed to aid students in understanding the stories and lessons in Level 6 of the SRA Open Court reading series. Blackline masters in the decodable books allow students to apply their knowledge of phonics elements to read simple texts.

50 Active Learning Strategies for Improving Reading Comprehension Adrienne L. Herrell, Michael Jordan, 2002 This book incorporates the strongest and most current research available to help teachers actively involve their students in the reading comprehension process. Teachers receive expert guidance in a step-by-step format that clearly states and fully illustrates each of the 50 strategies. It delivers must-have information that enables teachers to assess their students' current strategies. A six-section organization enables teachers to easily access appropriate strategies for specific teaching objectives: word and sentence level comprehension, paragraph level comprehension, integrating background knowledge, holistic comprehension, self-monitoring strategies, and assessment to inform instruction. For elementary school teachers.
