Divestitures: Creating Value Through Strategy, Structure, and Implementation Emilie R. Feldman, 2022-12-20 Today's best known expert on the topic shows business leaders how to dramatically increase corporate value through smart strategic divestitures. You've focused on mergers and acquisitions but how much do you know about divestitures? Wharton Professor Emilie R. Feldman provides a comprehensive primer on what strategic objectives divestitures can achieve, which businesses divestitures typically involve, what divestiture structures companies can choose from, and how to implement divestitures to maximize their financial benefits. Divestitures are among the hottest transactional structures today. **Divestitures Creating Value Through Strategy, Structure and Implementation** shows executives, board members, transactional advisors, educators, and others how strategic divestitures can be used to enhance corporate value and performance. The book is organized into three sections: Strategy, Remove problems, Improve focus, Reconfigure the corporate portfolio, and Address regulatory requirements; Structure, Sales, spinoffs, equity, carveouts, Reverse Morris Trusts, joint ventures, and tracking stocks; Implementation, Separate the divested business, Reconfigure internal processes, and Reshape external perceptions. This essential book fills major gaps in the professional and academic markets, providing the only available rigorous research-based treatment of this important strategic tool.

Introduction to Information Systems R. Kelly Rainer, Brad Prince, 2023-09-27 **Introduction to Information Systems** 10th Edition teaches undergraduate business majors how to use information technology to master their current or future jobs.
