Ross, 2019-09-23 Vocabulary is becoming increasingly important for the ASVAB test and it helps to devote sufficient time to it as it takes a long time to build an effective vocabulary. This book contains over 500 Essential Vocabulary words that appear frequently in the test and uses some of the following techniques to help you remember these words faster and better: Word Roots. Since many English words are derived from Greek, Pay attention to the tone of the words whether soft or hard, harsh or mild, negative or positive. This could help you guess when in doubt. Prefixes and Suffixes can often help you with identifying the meaning of a word when in doubt. Usage of the Word. Perhaps the Best way to increase your vocabulary is to read and practice. There is absolutely no substitute for that. Reading helps you learn new words from the context in which they are used, thereby making it easy to remember the new words and more importantly how and when they are used. This book provides you with multiple examples of how a word is used in different contexts. With over 1000 practice exercises, you will get more than enough practice for the test. Synonyms and Antonyms. Being familiar with related words increases the number and variety of your mental associations. This helps you retain the meaning of the word more easily. Related Words. In order to deeply understand the meaning of a word, it is helpful to study related words at the same time e.g. The word 'plenty' connotes 'sufficient' for what is needed, while 'abundance' means more than what is needed. Pronunciations. Each word has a pronunciation key that helps you say the word out correctly, thereby aiding retention. Practice makes perfect. Finally, this book has over a thousand exercises to make sure that you remember the meanings of the newly learnt words forever. Many ingenious methods scientifically correct have been devised to aid in the remembering of particular facts. These methods are based wholly on the principle that that is most easily recalled which is associated in our minds with the most complex and elaborate groupings of related ideas. All of the above methods are designed to create a word network in your mind, thereby helping you develop a lasting understanding of the word and how to use it correctly. **ASVAB Word Knowledge** Lq-Asvab Publications, 2021-07-12.
