*Engaging content on Instagram. Best filter choice for the increase of photo views and likes of sport and leisure interested users* Ilona Maties,2018-06-18 Bachelor Thesis from the year 2016 in the subject Communications Public Relations Advertising Marketing Social Media grade 7.6 Stenden University course Bachelor of Business Administration Bachelor of Art language English abstract The social media world has increased fast and people become overwhelmed with information Since images play an important role in the social media world organizations have the opportunity to create a profile at the social media network Instagram to post filtered and non filtered photos to engage its users to view like and comment those Photo filters that increase warmth exposure and contrast get more likes and comments because they elicit feelings of arousal and excitement This theory can be attributed to the filters colours since red orange and yellow lead to states of arousal and excitement Next to that sport fans enjoy images in black white and sepia The sport

company S is a client that has wished an Instagram profile from the company 12s For that reason the management did send many sport related photos to the media firm which they can post at their profile However the employees who are responsible for the Instagram profile are not sure if they should keep the images original or edit them with filters If they edit photos they can choose between filters what makes the choice harder since they do not know which filter viewers like For solving that problem a research was needed to give recommendations to the organization 12s for the best filter choice by analysing appealing colours and filters of lively Instagram users that are interested in sport and leisure via an experiment For the experiment two groups were randomly chosen which were as similar as possible All participants had to be interested in sport leisure One group had to answer questions about original photos and the second group about edited photos 16 images were posted in original and edited at the Instagram profile Bachelor\_Workout to see which photos receive more likes The outcome shows that participants prefer photos edited Approximately edited photos receive min 20 per cent more views and likes compared to original photos Furthermore participants like warm colours filters such as Hefe and Valencia and the colourful filter Clarendon Especially men do like the black and white filter Moon compared to women who prefer the filter X\_Pro\_II To engage Instagram users who are interested in sport and leisure 12s should edit photos with warm colours to reach the target group of the sport company S If they like to reach more men they can use the black and white filter Moon and if they concentrate more on women with a photo they should use the filter Rise **Mushroom News** ,2019-06

## **Stagram Picks Best Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Stagram Picks Best has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Stagram Picks Best has opened up a world of possibilities. Downloading Stagram Picks Best provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This

convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Stagram Picks Best has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Stagram Picks Best. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Stagram Picks Best. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Stagram Picks Best, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Stagram Picks Best has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
