**Smarts** Lisa Wade McCormick, 2012-12-15 One of the most difficult times in a high school student's life is trying to decide about the future. A big part of that is money concerns including how students pay for college when tuition is constantly on the rise. The basics like the difference between subsidized and unsubsidized loans to the more complicated like seeking out those hard to find scholarship options readers will find all the information they need for a good balance. *Paying for College* Peterson's, 2008-07 Updated to include changes in financial aid as a result of landmark new legislation passed in fall 2007 Peterson's *Paying for College* provides parents and students with straight easy to understand answers to the most frequently asked questions about financial aid. While most competitive books make unrealistic promises that they'll help you go to college for free this book takes a more practical approach recognizing that most American families will have to navigate the financial aid process and pay for college in some way. As college costs continue to rise and borrowing becomes more difficult for many families this book is particularly timely. *Funding Education Beyond High School* United States Department of Education. Federal Student Aid, 2007 *Funding Your Education Beyond High School* A Guide to Federal Student Aid is a comprehensive resource on student financial aid from the U.S. Department of Education. Grants, loans, and work study are the three major forms of aid available through the Department's Federal Student Aid office. Updated each award year *Funding Your Education Beyond High School* A Guide to Federal Student Aid tells you about the programs and how to apply for them.

*My Future, My Way: First Steps Toward College* Office of Federal Student Aid (U.S.), 2015-10-28 This publication speaks to middle school students and their parents to provide information on how to prepare for and how to pay for educational expenses at an eligible college or career school. This workbook provides information for middle and junior high school students about how to prepare and how to pay for education beyond high school. This publication also includes charts, checklists, and other activities to help students answer important questions such as: Why think about college now? What can a college education do for me? and How will I pay for college?
