- This flow teaches you how to verify your PayPal account so you can send, receive, hold, and withdraw money. Linking your bank account or debit card to PayPal is enough to verify your account. If you do not have a bank account or debit card but want to use PayPal to hold, send, and receive funds, you will need to confirm your identity by providing identifying documents to PayPal.
- If you do not have a bank account or debit card, you can still verify your account by providing proof of identity. To do so, go to <https://www.paypal.com/policy/identity> in a web browser, sign in, and enter the requested information. The verifier will then verify your account.
