## Study Guide Lesson 19

**John C. Broger, BCF writing team**

## **Study Guide Lesson 19:**

**Self-Confrontation** John C. Broger, BCF writing team, 1991-10-01 The purpose of this manual is to teach you how to examine yourself biblically so you can live in a manner that pleases the Lord and help others to do the same. The material in this manual also has been used in Bible studies for youth and adults classes for Christian students junior high, high school, college and seminary level courses of study designed to prepare missionaries for their ministry evangelism training, discipleship training in prison ministries, Sunday school classes, home group studies, personal devotional studies and Scripture memorization programs. In addition it has proved valuable as a resource for pastors, counselors, health care professionals, personnel managers, educators, social workers and other professionals who are responsible to deal with personal and interpersonal problems. As you progress through this manual you will discover many other uses for this material in your life and personal ministry. Please do not be intimidated by the volume of Scripture references contained in this manual. A new believer in Jesus Christ can find great comfort and help from looking up only one verse out of many that are listed on a particular subject. On the other hand the Bible scholar or seminary student may desire to research many of the Scripture references from the original languages of the Bible. No matter how proficient you are in using Scripture this manual encourages you to rely on the Word of God to discover God's sufficiency for every aspect of your life.
