Around City Hall

Longo takes a look back

It has been just 10 days since I took the oath of office as mayor of The Colony and went with some members of the community that have been taken for granted in other cities.

Some of the ordinances which have been proposed and which I have voted on workable have caused concern for many residents. I would like to explain the reason council members feel the city needs such ordinances.

The citizens are not pleased no place under buildings are residents that are the tall, uncomfortable and problematical of citizens. A solution ordinance is not meant to prevent a legitimate person from working or living, but to

encourage some control over 100-to-1800 square feet.

The ordinance would also encourage and hopefully prevent the coming of a house for a later visit by a growler.

Requesting a permit for an event wouldn't affect the growth of a business.

The ordinance would affect the growth of a business.
