## Zelle How To:

The Lost Sentinel Emma L. Adams, They say the country of Zeuten no longer has any need for heroes Quests have been completed the great Powers have withdrawn from the world and the Sentinels who guard the last Relics are largely forgotten Unlike their neighbours in the country of Aestin whose Invokers wield the magic of the deities in exchange for glory and prestige they leave the gods alone and the gods extend the same courtesy to them When Zeuten's last Sentinel disappears Zelle her granddaughter intends to track her down Instead she runs into an Aestinian stranger with no memories of his past who claims to be looking for a long lost Relic hidden in the mountains by the first Sentinels To Zelle the rumours of lost Relics are just stories told to trick gullible travellers but the hordes of enemies on the stranger's tail suggest otherwise Armed with nothing but her grandmother's sentient and temperamental magical staff Zelle finds herself tasked with keeping them both alive Between monstrous beasts magical storms and an enthusiastic but inept aspiring assassin and her dragon sidekick Zelle has her work cut out if she wants to survive long enough to save her grandmother and prevent the destruction of a nation Maybe Zeuten is in need of a few heroes after all An epic fantasy trilogy featuring a bookworm heroine with a sarcastic talking staff a warrior with no memory of his past and an inept aspiring assassin with a baby dragon sidekick For fans of fast paced adventures cool settings and action packed plots

**The University Library**

John Huston Finley, 1926 The genesis of the University Library lies in a compilation of Little Masterpieces the first of which were published more than twenty five years ago The material included in these volumes was selected by able editors and writers whose experience was great and whose taste was excellent Out of the Little Masterpieces grew a course in liberal education which was known as the Pocket University and out of the Pocket University grew finally the University Library The publishers most gratefully acknowledge their debt to the editors who compiled the original volumes Bliss Perry Henry van Dyke Hardin Craig Thomas L Masson Asa Don Dickinson the late Hamilton W Mabie George Iles the late Dr Lyman Abbott and others Some of the most important material contained in the Pocket University is of course included in the University Library but the sequence has been entirely changed and the scope of the work greatly broadened Fully two thirds of the material is new and the literature of the world has been ransacked to find appropriate text to fit the basic educational needs of the modern public Publisher's note
