## **Bookstagram Picks Discount Open Now:**

**The Close-Up** Pip Drysdale, 2025-12-02 A struggling author in Los Angeles discovers the dark side of fame when a stalker begins reenacting violent events from her thriller in this electrifying and twisty novel. When Zoe Ann Weiss moves to Los Angeles to pursue her dream of becoming a writer, her whole future is wide open. But then Zach, the bartender and aspiring actor she's falling for, ghosts her. Her debut novel, a thriller, fails. And she has writer's block worse than ever before. Now three years later, Zach is famous and Zoe is not. She's facing her thirtieth birthday, a dead end job at a flower shop, and a demanding agent terrified she'll never get her life back on track. But when she goes to make a flower delivery and Zach is at the address, it's like no time has passed at all. They start casually dating in secret, and her writer's block disappears. And Zoe realizes Zach inspired her first novel, so why can't he inspire her second? But then the inevitable happens, and photos are leaked, landing Zoe in the press. Her first novel goes viral, and now everyone seems to know her name. Except the problem with everyone knowing your name is that everyone knows your name, including the mysterious stalker obsessed with Zach. A stalker who begins reenacting violent events from Zoe's book, step by step, against her.

**Instamom** Chantel Guertin, 2021-06-29 Fans of Lauren Weisberger and Emily Henry won't want to miss this funny, sexy, and emotional novel that looks at modern relationships, modern choices, and redefining not to mention rebranding your dreams through the eyes of an Instagram influencer. Themes of personal choice and female empowerment underscore this tender rom-com from Guertin. A cast of wonderful supporting characters led by spunky Addie add authenticity and tug at the heartstrings. Readers will be charmed. Publishers Weekly A PopSugar Beach Reads Selection. A BookBub Best Book of June. In this funny, wise, emotionally compelling look at modern love and finding your true path, a proudly kid-free influencer meets the ultimate dealbreaker. It's the influencer's golden rule: know your niche. Kit Kidding has found hers on Instagram, where she gets paid to promote brands and share expertly curated posts about her fun, fabulous, child-free life. Kit likes kids just fine, but she passionately believes that women who choose not to become mothers shouldn't have to face guilt, or judgement. Or really hot chefs who turn out to be single dads. Will MacGregor is aggravating, sexy, persistent, averse to social media, and definitely a bad idea. As soon as Kit learns his parenting status, she vows to put their scorching one-night stand behind her and move on. But Will and Kit are thrown together on an Instagram campaign, and the more time she spends with him and his whip-smart, eight-year-old daughter, Addie, the more difficult it is to stay away, much less sustain what Will so cleverly calls her Resting Beach Face. Kit's picture-perfect career path is suddenly clashing with the possibility of a different future: messy, complicated, and real. Which life does she truly want? Will she have to reinvent herself? And will love still be waiting by the time she figures it out?
