Halloween Costumes In The Us:

Official Gazette of the United States Patent and Trademark Office ,1999 *Dressed for Thrills* Mark Alice Durant,2002-10 A Whimsical array of ghosts and goblins spooks and skeletons animals and nursery room characters parade through this unparalleled collection of more than one hundred years of American Halloween costumes and masquerade Photographer Phyllis Galembo approaches her subjects with the delight and wonder of one who has discovered an entire cast of characters backstage in an abandoned theater Through her lens the costumes rise from the dead to once again dance play and amuse Ranging from handmade to store bought satin to polyester the masks wigs and costumes whether recognizable figures or obscure pique our childhood memories In her celebration of Halloween revelry Galembo never settles for the ordinary instead she creates evocative scenes of dressed to scare young trick or treaters modeling their disguises and of undead spirits haunting their surroundings The costumes which span over a century take on magical qualities through fanciful sets and specialized lighting effects Accompanying the costumes is a history of this always popular holiday and essays discussing Galembo s inspirations and techniques Through her art Galembo allows us to act out our youthful fantasies of transformation to become or at least observe what we most want to be free of inhibitions of fixed notions of identity Her images make us laugh and dream and maybe even believe in ghosts Book jacket **American Halloween Costumes**
