R. McMaster, 2021-09-21 The former National Security Advisor's New York Times bestselling critique of US foreign policy with new material on the Jan 6th assault on the Capitol In Battlegrounds Lt General H R McMaster U S Army ret the former National Security Advisor under President Trump delivers a bold re-examination of the most critical foreign policy and national security challenges facing the United States In this new edition McMaster addresses the January 2021 assault on the U S Capitol and discusses how citizens across the free world can work together to restore confidence in democratic institutions According to McMaster American foreign policy has been misconceived and poorly implemented since the end of the Cold War This has allowed threats to security freedom and prosperity such as nuclear proliferation and jihadist terrorism to grow As National Security Advisor he pursued course correction through a

fundamental shift in policy Now he provides a clear path to improving strategic competence and prevailing in complex competitions against our adversaries Calling on all Americans to rise above the vitriol of partisan discourse McMaster stresses the importance of educating ourselves about the national and international security challenges we face Only then can we work together to secure peace and prosperity for future generations

**Proceedings of the United States Naval Institute** United States Naval Institute,2016 The Impact of Social Media in the Black Lives Matter Discourse. What Online and Offline Effects did the #BlackLivesMatter Hashtag have? Evelyn Isaak,2023-09-08 Seminar paper from the year 2023 in the subject Communications Public Relations Advertising Marketing Social Media grade 1 0 language English abstract This paper explores the impact of social media especially Instagram and Twitter on the discourse surrounding the BLM movement The focus will mainly be on the framing of the crisis of racial inequality in the United States Main questions are Can the movement be seen as resulting out of a crisis and why is the BlackLivesMatter hashtag still important What online and offline effects did the BlackLivesMatter hashtag have Through an examination of how social media has been used to frame the crisis this paper tries to explain the ways in which this new media has been used to mobilize support build community and challenge the status quo The United States of America has long grappled with systemic racial inequality and social injustice particularly towards black Americans The racial inequality began many years ago and continues until this day Despite historic efforts towards achieving civil rights the plight of black people in America has continued to be a contentious issue with police brutality and discriminatory policies remaining persistent problems In recent years the Black Lives Matter BLM movement has emerged as a powerful force for change driven largely by the use of social media platforms to bring awareness to the issue of systemic racism and its impact on Black lives

**Exit Path: How to Win the Startup End Game** Touraj Parang,2022-08-02 An exit strategy if implemented early is the surprising secret to ultimate startup success Find out why and how to develop one in this comprehensive practical guide from veteran Silicon Valley dealmaker Touraj Parang In 2008 Touraj Parang s award winning startup Jaxtr had 10 million users raised nearly 20 million from top tier Silicon Valley investors and seemed poised to sail straight through the Great Recession But by January of 2009 Jaxtr s only hope for survival was to find a buyer sadly it was too late for that In Exit Path Touraj draws on the lessons learned from that chaotic experience and the extraordinary successes that followed once he and the entrepreneurs he advises made creating and executing an exit strategy a top priority For too long entrepreneurs have been failing to establish the requisite relationships and properly prepare for the most important milestone in their life cycle a sale to an acquirer But in today s hyper competitive and interconnected business world that is no longer an option In this first of its kind comprehensive guide you ll discover the surprising reasons few startups succeed while many fail and you ll learn that implementing an exit strategy early will empower you to take charge of your startup s ultimate fate maximizing its

potential for success while mitigating the risks of failure Arranged in four sequential parts Exit Path walks you through actionable steps to devise and execute an effective exit strategy starting with a fresh new perspective on the critical importance of creating a viable sale option for your startup You ll learn why creating your exit strategy is necessary well before you re contemplating an exit regardless of the stage of your startup You ll also discover how to create your own exit plan how to make your plan a reality through personal and business relationships and how to approach and negotiate with acquirers for an outcome best aligned with your values and ambitions should the need arise Whether you are an entrepreneur investor or advisor the expert advice and insights in Exit Path will inspire you to take charge of your startup s destiny and unlock its strategic potential and options over time

**Think Before You Like** Guy P. Harrison,2017

Social media has pitfalls misinformation pseudoscience fraud and irrational beliefs presented in an attractive easy to share form It reinforces your biases by tracking your preferences it sends only filtered newsfeeds so that you rarely see anything that might challenge your set notions Harrison demonstrates how critical thinking can enhance the benefits of social media while giving readers the skills to guard against its dangers He also suggests ways to protect yourself against privacy invasion trolls and the confusion over fake news versus credible journalism
