*Come Together* Marie Force, 2021-07-13 Three years after his marriage ended in dramatic fashion Noah Coleman has one goal to steer clear of romantic entanglements In fact he steers clear of most human interaction studiously avoiding his large meddling extended family working until he s exhausted and then repeating the pattern day after day His strategy has worked well for him for years keeping him sealed off from anything that can cause him pain or angst Or it was working for him before his company was hired to rebuild the Admiral Butler Inn after a fire reduced it to rubble and he was forced to co exist with the exasperatingly difficult gorgeous architect the inn s owner Mrs Hendricks hired to oversee the project While nursing a badly broken heart Brianna Esposito is determined to complete the Butler Inn construction under budget and on time and to make partner in the Boston firm where she s been working fourteen hours a day for five years Nothing is going to stop her from achieving her goal especially a cranky contractor with the people skills of a rabid cougar Noah Coleman is the most exasperating human being she s ever had the misfortune to tangle with She s never had screaming fights with anyone the way she does him and the fact that he s also the sexiest man she s ever met makes it that much more difficult to hold her ground When Mrs Hendricks intervenes and orders the two of them to resolve their differences Brianna is stuck having dinner with the man she wants to stab one minute and kiss the next And will he ever tell her why he s so bitter and angry Brianna suspects the answer to that question could also be the key to his well protected heart Come back to Butler Vermont to find out if these two adversaries will give in to the sparks that ve been flying between them for months or if they ll finally succeed in driving each other crazy

*Here, There and Everywhere* Marie Force, 2022-03-22 Isabella Coleman wasn t looking for love when she attended her cousin Wade s wedding in Boston but she hadn t counted on the bride s father Cabot Lodge He s older wiser and one of the most handsome charming and funny men she s ever met Izzie is instantly smitten and after a wonderful time at the wedding she s certain she ll hear from Cabot again soon But she doesn t hear a word from him until she s back in Boston and invites him to dinner After yet another fantastic time together she s once again optimistic and once again disappointed when she gets nothing but silence from him Cabot has his reasons for keeping

his distance After his former wife took off with their baby daughter he spent twenty five years looking for Mia who suddenly reappeared in his life as a grown woman with a new husband He s never been happier than since Mia returned but those twenty five years of searching left him with a deep well of bitterness that a sweet woman like Izzie doesn t need in her life Until Izzy is seriously injured in a car accident and all bets are off Bitterness aside Cabot can think of only getting to her as soon as he possibly can and staying with her for as long as she ll have him Now Izzy and Cabot are hunkered down in her cozy home in Vermont and things are starting to get real They ll both have to decide if their time together is a temporary interlude or the start of something lasting      *State of Alert* Marie Force,2024-12-25 Great characters awesome storylines an extremely difficult book to put down after the first pages Lots of laughs a few tears on occasion but just the most enjoyable read Amazon reviewer The first couple is on full alert deflecting new threats from near and far Lieutenant Sam Holland has seen just about everything as a D C homicide detective but she s never been asked to lie to her closest colleagues and her husband until now With national security on the line Sam makes a deal with the devil that quickly comes back to haunt her as she assists in a baffling case that leads right back to the Oval Office where her husband is mourning the loss of his trusted aide Navy Lieutenant Juan Rodriguez For President Nick Cappuano the betrayal cuts deep The military advisers he inherited from the Nelson administration plotted to remove him from office and now the young man who warned him of their deceit is dead But nothing is as it appears and with the NCIS building a case against the disgraced Joint Chiefs Nick is forced to carry on with the duties of his office while wondering who s coming for him next Sam no sooner gets one situation under control when another murder victim requires her full attention A woman tied to an earlier cold case is found dead in her home in a case that ll have Sam and her team digging deep into the past to find a ruthless killer while wondering if they should be looking much closer to home for the person who wanted her dead As if they didn t have enough to worry about a new threat to their happy family has them considering drastic measures to protect the ones they love the most While storms rage all around them Sam and Nick take refuge in each other and find the strength they need to carry on      *True North* Marie Force,2010-11-19 Two high powered careers Two weeks of no strings sex A love they never expected The first time Travis North lays eyes on Liana McDermott she s wearing the most hideous bridesmaid dress he s ever seen He doesn t immediately recognize the world famous super model who is attending her cousin Enid s wedding at the country club he owns Thanks to Enid s shameless matchmaking Travis and Liana become acquainted and later embark on a two week fling intended to be free of emotion and entanglement As Liana s return to work gets closer however Travis wonders how he ll ever let her go when the time comes while Liana considers whether he might be her true north Two high powered careers two amazing weeks and a love that comes along just once in a lifetime Is she ready to give up her career for a different kind of life Does he want the same things she does After insisting on an emotionless affair she can t very well ask him Or can she      *Ravenous* M. What happens when Addie takes that kiss to mean game on and forces the man of her dreams to act on the feelings that have simmered between them for years. Next up is Ravenous in which Ellie Godfrey confesses to her brother's friend and business partner Jasper Autry that she wants to have a baby. When he offers to father her offspring but only if they can do it the old-fashioned way, both Jasper and Ellie get far more than they bargained for, especially when the past he has run from catches up to him and puts Jasper and all the Quantum principals in a precarious spot. Finally read Delirious, the most romantic Quantum book featuring breast cancer survivor and single mom Aileen Gifford who fell for Quantum producer Kristian Bowen when she attended her friend Natalie's wedding to Flynn Godfrey. Now that Aileen and her kids have relocated to LA, will the sparks continue to fly between her and the sexy secretive producer.
