## **World Series This Month Install:**

Baseball Under the Lights Charlie Bevis, 2021-05-14 Night games transformed the business of professional baseball as the smaller demographically narrower audiences able to attend daytime games gave way to larger more diversified crowds of nighttime spectators Many ball club owners were initially conflicted about artificial lighting and later actually resisted expanding the number of night games during the sport's struggle to balance ballpark attendance and television viewership in the 1950s This first ever comprehensive history of night baseball examines the factors obstacles and trends that shaped this dramatic change in both the minor and major leagues between 1930 and 1990      **Out of the Park** Ed Mickelson, 2015-02-18 During the Golden Age of baseball as many as 59 minor leagues operated in a single season and hundreds of G I's returning home from World War II competed in them for the big break that would land them one of only 400 spots on 16 teams in the majors These were truly the days when athletes played purely for the love of the game motivated by goals that seemed always just beyond their fingertips Among the many men who endured shocking extremes in pursuit of that diamond plate dream was first baseman Ed Mickelson This book relates the entirety of his 11 year struggle against the odds of success A talented athlete from his early youth Mickelson followed the game he loved across continental America winning some and losing some but always persevering While a recruit for Lynchburg in the Class B Piedmont League Mickelson maintained a league leading .393 batting average When traded to the Southeastern League in Montgomery Alabama he scaled his previous statistic to achieve an average of .417 In his first major league start an ailing Stan Musial provided the opportunity for Ed to get one of only two hits against Hall of Famer Warren Spahn After batting .335 and driving in 139 runs at Shreveport Louisiana in the Texas League Ed was honored to become first pick among 8500 players in the Minor League draft in 1954 making him a Portland Beaver in the Pacific Coast League This book captures the fierceness of his struggle throughout his career before the man who drove in the last run of the St Louis Browns would eventually hand over his bat and go home Despite his impressive statistics the second highest batting average in the Pacific Coast League and the best fielding percentage among first basemen Mickelson traded in professional baseball for a career of high school counseling and coaching young athletes some becoming professionals themselves His story is told here for veterans scholars and fans alike revealing first hand the both difficult and rewarding challenges of the big game      **The World's Work** Walter Hines Page, Arthur W. Page, 1905 A history of our time      **Electrical Installation Record**, 1929      *The American Legion Monthly* American Legion, 1926      Popular Science Monthly, 1926      **Current Topics**, 1930      **Play Harder** Gerald Early, National Baseball Hall of Fame, 2025-04-29 An authoritative exploration of how Black Americans have shaped baseball from its emergence after the Civil War to the Negro Leagues and Jackie Robinson's breaking of the color barrier up to today's game by award winning author Gerald Early in collaboration with the National Baseball Hall of Fame No sport has been more associated with America's sense of itself with its identity than baseball No sport has been so inextricably bound with America

s traditions with its notions of democracy and fair play than baseball And no professional sport in America has been as dramatically connected to social change as Major League Baseball when it became racially integrated the moment Jackie Robinson took the field with the Brooklyn Dodgers on April 15 1947 Play Harder comes at a time when the history of Black baseball has become especially relevant following MLB s recent recognition of the Negro Leagues as major leagues and the effort to incorporate statistics from the Negro Leagues into those for all players Before Robinson as Play Harder shows Black athletes played baseball as far back as the 1800s even before the establishment of the Negro Leagues But once founded in 1920 the Negro Leagues gave Black Americans an inroad to baseball that would be enduring and profound The leagues were an instrument of community building during a time when discrimination separated Black people from all white enterprises including baseball and they paved the way for racial integration that Black players hoped would come Play Harder showcases the Black stars of the game those from baseball s early years such as Moses Fleetwood Walker and Rube Foster Negro Leagues stars like Satchel Paige and Cool Papa Bell Jackie Robinson and those who crossed the color line after him like Hank Aaron and Willie Mays followed by Frank Robinson and Curt Flood and the stars who ushered in today s game such as Reggie Jackson Dave Winfield Barry Bonds and Ken Griffey Jr Playing out against the cultural and political events of 150 years the story bears witness to the richness of this country s diversity while remaining clear eyed about the racial injustice endured by Black Americans In the end Play Harder celebrates the triumph of some of baseball s greatest players and their remarkable contributions to the game we know and love today
