Tok Trending Near Me Customer Service:

Douyin, TikTok and China's Online Screen Industry Chunmeizi Su, 2023-09-22 TikTok has drawn attention from all over the world. Even if you have never used it before, you would still be familiar with its name. Many people have assumed that it is a US-generated platform and normally awed at its real origin: a Chinese-born and operated platform, a sister or parallel platform of Douyin. Because of the short video platform TikTok and also its dispute with the US government, people have started paying attention to what is really happening and changing in China. Two questions that hang over everyone's mind seem to be: why China? And why TikTok? This book attempted to answer the question of why short video platforms such as TikTok, the most popular made-in-China product of all the Chinese digital platforms, became a significant competitor on the global stage. This book explores the reasons behind the rise of short video platforms in China, with a focus on the sudden and unexpected success of TikTok and its parallel platform Douyin. Beginning with the historical development of China's online screen industry, the book goes on to investigate the ICT industry, its business models, and impact on the screen industry to unfold the reasons behind the domestic popularity of Douyin. It draws on a spectrum of sources including policy documents, industry reports, and expert analysis, which is supplemented by interviews with key people in the field. It traces the changing dynamics of the Chinese online screen ecology and shows how a mixture of technological, industrial, and cultural factors contributed to the proliferation of short video platforms in China. This engaging and topical book will be ideal reading for students and scholars of media and communication studies, platform studies, and political economy studies.

Marketing Tourism and Hospitality Richard George, 2025-04-09 This second edition of this comprehensive textbook explores the fundamental principles of marketing applied to tourism and hospitality businesses, placing special emphasis on SMEs in the international tourism industry. It includes examples from a wide range of destinations, from emerging markets to high-income countries. Taking a comprehensive approach, the book covers the whole spectrum of tourism and hospitality marketing, including destination marketing, marketing research, consumer behaviour, responsible tourism, marketing and digital and social media marketing. Practical in focus, it gives students the tools, techniques, and underlying theory required to design and implement successful tourism marketing plans. Written in an accessible and user-friendly style, this entire industry textbook includes case studies drawing on the author's experience and real-life examples. Revised and expanded throughout, it covers Advances in AI, robotics, and automation; Digital marketing; electronic customer relationship management (eCRM) and uses of user-generated content (UGC); New and updated content and discussion questions for self-study and to use in class; A new chapter on responsible tourism marketing and sustainable approaches to marketing; Consumer behaviour in tourism and the effects of climate change and changes in consumer attitudes; New trends in tourism and hospitality marketing; New in-depth real-life case studies and industry insights throughout the book; Along with key concepts and theory definitions, key summaries, and discussion questions accompanying online flashcards and PowerPoint slides for lecturers, this textbook is
