

# Where is my Financial Aid?

## Why hasn't my financial aid been applied to my University student tuition and fee account?

The University Bursar's Office begins preparing your invoices months in advance of the payment deadline. If you do not see all of your financial aid listed on your invoice, check periodically for updates on-demand. You can generate an on-demand statement\* any time.

**Listed below are several reasons why financial aid funds may not appear on your account:**

- Your enrolled hours do not match the number of hours on which your award was based.
- You were not verified as attending a class and/or classes. Check the "Attendance Verification Status" page through your WINGS account under "Student Services and Financial Aid".
- You are not enrolled in and/or attending enough credit hours.
