what they could have done better and want to teach tell the younger people Wouldn't it be great if the love for family life was so highly valued and if peace and the unity of families would be the future for the next generations Who is the ideal family The ideal family reflects God's love to the world God's love is one that sacrifices one that has empathy for others one that has performed miracles It is so good to have plans in a family An example that became humorous many years later in our family was that our fifth daughter never mowed the lawn and we were all so busy we didn't notice it until she was an adult So it is good to make sure we have plans and purpose to our family life Life is too short for us to be just floating along This is a good memory to laugh about because we do live in a world that is not perfect This is earth not heaven People and human families may have opinions they may have perspectives and they may be giving their all to do good for others This is a good kind of family life
