the Coming Apocalypse Mikkel Dahl,1993    *Revelation Mysteries Decoded* Robert Rite,2014-01-17 Was the history of mankind written in the heavens These questions and many more are revealed in this book This decade may indeed be the one that goes through the apocalypse prophesied in the book of Revelation The signs that we are witnessing today and the prophecies and mysteries that have recently been fulfilled tell us that it is most definitely time to get our spiritual house in order Almost all of the prophecies in the bible and the book of Revelation have been fulfilled except for those that will occur in the very end of our age This book will help equip you with the wisdom and knowledge necessary to be prepared and not overcome during the coming time of the end of this age After reading this book you will have a much clearer understanding of what the symbols and mysteries in the book of Revelation and other parts of the bible actually mean You will understand some key concepts and principles that will make Revelation easier to read and comprehend You will learn how to be protected before and during the coming apocalypse and much much more You will understand why the book of Revelation is much more than just a book about the apocalypse or about a period of great suffering and judgment Once you understand the true meanings behind the mysteries you will feel a great sense of hope and peace and confidence in the awesome power patience fairness and glory of God Almighty Many heavenly secrets are unlocked for you in this book The book of Revelation will no longer be a mystery to you but rather a book full of wisdom knowledge guidance and promise for those who read it equipping them to boldly resist evil and persevere during the perilous days ahead    *The 7th Day Prophecy* Craig

Crawford,2019-04-07 The 7th Day Prophecy is rarely taught or spoken of today This prophecy study may be very timely This prophecy appears to speak of a generation which could very possibly be alive today This prophecy is a little unnerving when one considers the implications of these things written for us so very long ago Yet this prophecy is the one thing both the early Jewish and Christian writers and teachers AGREED on Amazingly this prophecy is also the one thing both early Jewish and early Christian writers and teachers seemed to agree on They all wrote as though it was common knowledge and teaching at the time that at the very end of 6000 years of human history the year 6000 AM a terrible cataclysmic global judgment will end Mankind s and Satan s rule over the Earth in order to make way for the 7th Day the 7th Millennium when we are told Messiah Christ will fully restore the Earth in peace and beauty and will reign over Israel and all nations for 1000 years After this we are told the Earth will be replaced The fulfillment of these prophecies now appear to be closer than you might think This book details these prophecies as well as the Bible prophecies of the coming Apocalypse the Battle of Armageddon and Messiah Return This book also contains the Book of Revelation with notes as an addendum This book is for those men women boys and girls who think the Bible is boring For many of those who don t take the Bible seriously will soon end up sitting on the edge of their seats with white knuckles as they realize what prophetic events now lie ahead for planet Earth    *The Coming Apocalypse* Renald E. Showers,2009    *This Is the End* Jeffery L. Irvin, Jr.,2012-07-01 This Is the End is a historical analysis of the apocalyptic mindset and the culture of fear It assesses the validity of modern social fears establishes a

compelling connection between the apocalyptic mindset and the culture of fear and asks what if anything can be done to address these fears With nearly half a million Americans attempting to abandon society in preparation for the collapse of the world as we know it there is a need for answers to some of America's most intractable problems but where to start This Is the End suggests that the starting point might be found in a modern form of moral renewal based on reason common sense and a limited faith in the promises of science One thing is clear if Americans continue to allow the dystopian spirits of apocalypticism and the culture of fear to determine U S social economic and foreign policy they will never be able to achieve a better future **Coming Apocalypse** Vernon Coleman,2020-04-29 Dr Vernon Coleman has been accurate and ahead of the field since the start of the 2020 crisis In Coming Apocalypse he explains how and why the crisis developed and explains the sort of future we can expect now that lockdowns have destroyed the global economy and changed our way of life Our world will never be as it was in January 2020 Dr Coleman explains what he believes we can expect
