**How to pass the APC** Austen Imber, 2013-11-05 Graduates undertaking the RICS Assessment of Professional Competence APC often find that in addition to the general information provided by the RICS guidance is needed on specific areas of their work as general practice surveyors. How to Pass the APC Essential Advice for General Practice Surveyors has been built around the needs of general practice surveyors and guides you through the APC process in line with your own competencies including valuation marketing landlord and tenant estate management rating and planning and development work together with more specialist areas. The author highlights the essentials showing you how to approach the presentation and interview providing a bank of examples of real APC questions together with illustrative responses to demonstrate how the interview process works. Accessible and easy to use this book gives you comprehensive coverage of the fundamental elements and is a must read for anyone taking the APC. **APC Case Book** Austen Imber, 2013-09-13 Following his successful How to Pass the APC Essential Advice for General Practice Surveyors Austen Imber's latest publication examines surveyors work in practice. The case work is based mainly on examples of APC candidates critical analysis and is supported by additional guidance on the key issues arising in practice. In a clear practical way the book covers the public private and corporate sectors and enables graduates to understand the roles of the various participants in the property industry. Subjects covered include investment valuation development valuation appraisal profits valuation the Red Book lettings sales rent reviews lease renewals estate management ratings planning development regeneration compulsory purchase telecoms and insolvency. The hands on style of the candidates critical analysis clearly shows the detailed reasoning behind the initial strategies and decisions throughout a case. The examples of APC interview questions and tasks for study are invaluable in encouraging graduates to consider further issues including the many practical problems which graduates need to understand in order to succeed in practice and with their APC interview. Professional ethics are also represented within the cases featured. The APC Casebook is an essential tool in preparing for the final assessment stage of the APC as well as being an important reference source for candidates throughout their APC training.
