The Crystal Hummingbird:

The Crystal Hummingbird Bella Rossiter,2006-05 The Hummingbird's Keeper Viki Obel,2025-03-28 E J has spent her entire life running from shadows she can't name from a past she doesn't remember from a destiny she could not imagine When her latest job brings her face to face with a powerful and enigmatic man with a secret as dangerous as her own everything changes He is no ordinary man his blood carries the untamed strength of his ancestors His world is one of ancient oaths power and an unshakable belief in fate And according to fate E J belongs to him But fate has never had to contend with E J's stubborn heart She is caught between three men one who claims her as his destiny another whose presence stirs something she cannot ignore and a third who makes her question everything But only one of them was made for her only one holds the key to her identity And the others they will burn the world trying to have her As the truth unravels E J must decide will she continue running or will she finally face the danger she was born to embrace Will she finally open her heart to love Mystery Passion Destiny Some bonds cannot be broken Some truths refuse to stay buried And some loves are written in the stars

project at the very same hotel The longer Natalie stays at the Harlow Hotel the more she realizes that Leander might be helpful for her project After all she could use an extra hand to help record her fake footage But when strange things start happening at the Harlow Natalie wonders could there really be something to these ghosts after all Readers of Emily X R Pan Nina LaCour and Dustin Thao will fall for this story that explores what it means to believe in ghosts in the people you love and in yourself Told via Natalie s witty and organic first person voice this exhilarating novel is many things an homage to a lost friend a spine tingling ghost tale and a sweet budding love story Publishers Weekly starred review **Time's o'Clock** Lennarrt Olausson,2025-10-10 It s a Saga a Fable an odd Fantasy about Time and a little Girl trying to save it Meet a Squirrel with a black top hat who work as a guide a conductor for haunted lost souls that pass through an old library with ancient books inside a very large and old oak A magic Thermos and hidden paths here and there and everywhere And a Watch out **The Storied South** William Ferris,2013-08-05 The Storied South features the voices by turn searching and honest coy and scathing of twenty six of the most luminous artists and thinkers in the American cultural firmament from Eudora Welty Pete Seeger and Alice Walker to William Eggleston Bobby Rush and C Vann Woodward Masterfully drawn from one on one interviews conducted by renowned folklorist William Ferris over the past forty years the book reveals how storytelling is viscerally tied to southern identity and how the work of these southern or southern inspired creators has shaped the way Americans think and talk about the South The Storied South offers a unique intimate opportunity to sit at the table with these men and women and learn how they worked and how they perceived their art The volume also features 45 of Ferris s striking photographic portraits of the speakers and a CD and a DVD of original audio and films of the interviews
