didn't do well in traditional education. He wanted to become a multi millionaire and all the teachers he spoke to about it were struggling financially. Matthew knew that he needed to find better teachers outside of traditional education. He wanted to get taught by the people at the top not their employees. In Matthew's pursuit to find the owner of an education company, he found Ekim Kaya, the owner of Kaya Online, the world's largest Amazon training company. Matthew watched Ekim take his business to over 100 000 students. Matthew knew that this was the impact he wanted to create. Matthew started to teach for Kaya Online, having his work translated into multiple languages for Ekim Kaya's 100 000 students. Within just a few years of learning from Ekim Kaya, Matthew was financially independent. Matthew wants his story to inspire people that no matter the history of their education, no matter how much debt they're in, no matter what their current circumstances, anyone can change the future of their education.
