Good Ideas and Power Moves Sinéad O'Sullivan, 2025-09-09 A guide to the 10 power moves that have built Taylor Swift's superstardom and empire from a former Strategist at Harvard Business School's Institute for Strategy Taylor Swift's genius is not limited to her singing and songcraft as the founder of her own multi billion dollar enterprise she has higher returns than 99.9% of hedge funds and has built a stronger global corporation than nearly every other American conglomerate CEO She is the only person that the US Federal Reserve and European Central Bank track with precision She has a larger impact on the economy than most economists that have ever lived and has done more for US antitrust law than any sitting member of Congress There is a lot to learn from Taylor Swift Global investment fund manager and former head of Strategy at HBS and Swiftie Sinead O Sullivan taps into the same genius that sells out stadiums and shuts down the internet to give Taylor the CEO the strategist the respect she deserves O Sullivan sums up Swift's business savvy into ten big teachable lessons including Build a World Not a Product how to create value that is greater than the sum of its parts or how Taylor created the fan centered Swiftverse that fosters community belonging and off the charts engagement Be Anti Fragile how to embrace volatility build resilience and thrive in uncertainty when your competitors can't or how Taylor gamed the chaos of Covid shutdown to own the airwaves Don't Just Play the Game Change It how to rewrite the rules on your own terms when your chips are down or how Taylor almost lost control of her music catalog to Private Equity but re-recorded all her masters and took them back

The Idea Hunter Andy Boynton, Bill Fischer, 2011-04-26 A different way of discovering and developing the best business ideas Jack Welch once said Someone somewhere has a better idea In this myth busting

book the authors reveal that great business ideas do not spring from innate creativity or necessarily from the brilliant minds of people Rather great ideas come to those who are in the habit of looking for great ideas all around them all the time Too often people fall into the trap of thinking that the only worthwhile idea is a thoroughly original one Idea Hunters know better They understand that valuable ideas are already out there waiting to be found and not just in the usual places Shows how to expand your capacity to find and develop winning business ideas Explains why ideas are a critical asset for every manager and professional not just for those who do creative Reveals how to seek out and select the ideas that best serve your purposes and goals and define who you are as a professional Offers practical tips on how to master the everyday habits of an Idea Hunter which include cultivating great conversations The book is filled with illustrative accounts of successful Idea Hunters and stories from thriving idea companies Warren Buffet Walt Disney Thomas Edison Mary Kay Ash Twitter and Pixar Animation Studios are among the many profiled

The Arts in Mind Ruth Katz,Ruth HaCohen,2003-01-01 A major shift in critical attitudes toward the arts took place in the eighteenth century The fine arts were now looked upon as a group divorced from the sciences and governed by their own rules The century abounded with treatises that sought to establish the overriding principles that differentiate art from other walks of life as well as the principles that differentiate them from each other This burst of scholarly activity resulted in the incorporation of aesthetics among the classic branches of philosophy heralding the cognitive turn in epistemology Among the writings that initiated this turn none were more important than the British contribution The Arts in Mind brings together an annotated selection of these key texts A companion volume to the editors Tuning the Mind which analyzed this major shift in world view and its historical context The Arts in Mind is the first representative sampling of what constitutes an important school of British thought The texts are neither obscure nor forgotten although most histories of eighteenth century thought treat them in a partial or incomplete way Here they are made available complete or through representative extracts together with an editor's introduction to each selection providing essential biographical and intellectual background The treatises included are representative of the changed climate of opinion which entailed new issues such as those of perception symbolic function and the role of history and culture in shaping the world Contents include Anthony Ashley Cooper Third Earl of Shaftesbury Characteristics Francis Hutcheson Inquiry Concerning Beauty Harmony and Design Hildebrand Jacob Of the Sister Arts An Essay James Harris On Music Painting and Poetry Charles Avison An Essay on Musical Expression James Beattie Essay on Poetry and Music as They Affect the Mind Daniel Webb Observations on the Correspondence between
