Disney Plus Near Me:

Disney's Animated Classics Stephen Rötzsch Thomas, 2025-12-30 Which Disney character is responsible for the most onscreen deaths? What are the entry requirements for becoming a Disney Princess? Why is Jiminy Cricket always breaking into people's homes? In Disney's Animated Classics, Stephen Rötzsch Thomas explores the iconic features from the studio's first 100 years, from Snow White to Wish. A love letter to storytelling and collaboration, each chapter takes readers behind the scenes of a different movie, uncovering the hidden secrets, creative geniuses, and surprising connections that will enthral die-hard Disney fans and casual viewers alike. Disney's Animated Classics examines how the studio's films have shaped and been shaped by the world around them and how they have attempted to reflect a changing culture. From the studio's representation of race and sexuality to its fluctuating creative fortunes through the decades, Rötzsch Thomas offers an unflinchingly funny history of one of the biggest icons in cinema. His unauthorised deep dive is an irreverent but loving tribute to the films that have defined generations of childhoods. Whether you're a self-proclaimed Disney Adult, a film fan looking to learn about the animation behemoth or just someone trying to understand why Robin Hood was responsible for your sexual awakening, there's something for you here.

Aiello, 2024-09-03 Revelatory memoir and cultural criticism that connects popular fantasy and our perceptions of mental illness to offer an empathetic path to compassionate care Growing up K.J. Aiello was fascinated by magical stories of dragons wizards and fantasy where monsters were not what they seemed and anything was possible These books and films were both a balm and an escape a safe space where Aiello's struggle with mental illness transformed from a burden into a strength that could win battles and vanquish villains A unique blend of memoir research and cultural criticism The Monster and the Mirror charts Aiello's life as they try to understand their own mental illness using The Lord of the Rings Game of Thrones and other stories as both guides to heroism and agency and cautionary tales of how mental illness is easily stereotyped as bad and violent Aiello questions who is allowed to be mad versus sane good versus evil and weak versus strong and who is allowed to tell their own stories The Monster and the Mirror explores our perceptions of mental illness in a way that is challenging and tender empathetic and knowledgeable and offers a path to deeper understanding and compassionate care Harry Disney, ed.
