*Global Literary Studies* Diana Roig-Sanz, Neus Rotger, 2022-12-05 While the very existence of global literary studies as an institutionalised field is not yet fully established the global turn in various disciplines in the humanities and the social sciences has been gaining traction in recent years This book aims to contribute to the field of global literary studies with a more inclusive and decentralising approach Specifically it responds to a double demand the need for expanding openness to other ways of seeing the global literary space by including multiple literary and cultural traditions and other interdisciplinary perspectives in the discussion and the need for conceptual models and different case studies that will help develop a global approach in four key avenues of research global translation flows and translation policies the post 1989 novel as a global form global literary environments and a global perspective on film and cinema history Gathering contributions from international scholars with expertise in various areas of research the volume is structured around five target concepts space scale time connectivity and agency We also take gender and LGBTQ perspectives as well as a digital approach

*The Good Food Revolution* Will Allen, 2012-05-10 A pioneering urban farmer and MacArthur Genius Award winner points the way to building a new food system that can feed and heal broken communities The son of a sharecropper Will Allen had no intention of ever becoming a farmer himself But after years in professional basketball and as an executive for Kentucky Fried Chicken and Procter Gamble Allen cashed in his retirement fund for a two acre plot a half mile away from Milwaukee's largest public housing project The area was a food desert with only convenience stores and fast food restaurants to serve the needs of local residents In the face of financial challenges and daunting odds Allen built the country's preeminent urban farm a food and educational center that now produces enough vegetables and fish year round to feed thousands of people Employing young people from the neighboring housing project and community Growing Power has sought to prove that local food systems can help troubled youths dismantle racism create jobs bring urban and rural communities closer together and improve public health Today Allen's organization helps develop community food systems across the country An eco classic in the making *The Good Food Revolution* is the story of Will's personal journey the lives he has touched and a grassroots movement that is changing the way our nation eats

**The Experiential Therapist** Peter D. Ladd, 2020-10-06 In *The Experiential Therapist* Phenomenology Trauma Informed Care and Mental Health Peter D Ladd steps outside of the medical model to explore alternative ways of thinking about mental health disorders Through case studies and analyses of current methods and research Ladd stresses the importance of incorporating trauma informed care phenomenological insights and empowerment methods in daily practice By analyzing issues such as collaboration wisdom momentum dialogue and necessary suffering Ladd highlights the importance of engaging with a patient's mental health experience and its impact on her family and argues that successful treatment results from an informed understanding of a patient's experience not an ability to name and categorize difficult experiences as classical disorders

[The History of Science Fiction and Its Toy Figurines](#) Luigi

Toiati,2023-12-21 This eye opening book deserves a spot on the bookshelves of anyone who not only enjoys collecting but also has a great interest in all facets of the history of our hobby Toy Soldier Collector Science fiction as the name suggests is the combination of science and fantasy In addition to a literary form it also encompasses film TV comics toys and our beloved toy astronauts or other figures such as aliens monsters and other playable genres The term science fiction was coined by publisher Hugo Gernsbach around the first decades of the last century to refer to the predominantly space adventures covered in his magazines Space invaded radio cinema TV and consequently for a long time toy figurines were predominantly space related later evolving into other themes This lavishly illustrated book covers both the history of literary science fiction following in the footsteps of contemporary official criticism and toy figurines inspired by science fiction You will also find several other themes such as the link between science fiction figures and cinema radio TV comics and more Luigi Toiati offers to both guide the reader on an often nostalgic walk through science fiction in all its various forms and to describe the figurines and brands associated with it

**On Trails** Robert Moor,2017-07-04 In 2009 while thru hiking the Appalachian Trail Robert Moor began to wonder about the paths that lie beneath our feet How do they form Why do some improve over time while others fade What makes us follow or strike off on our own Over the course of the next seven years Moor traveled the globe exploring trails of all kinds from the minuscule to the massive He learned the tricks of master trail builders hunted down long lost Cherokee trails and traced the origins of our road networks and the Internet In each chapter Moor interweaves his adventures with findings from science history philosophy and nature writing combining the nomadic joys of Peter Matthiessen with the eclectic wisdom of Lewis Hyde s The Gift Throughout Moor reveals how this single topic the oft overlooked trail sheds new light on a wealth of age old questions How does order emerge out of chaos How did animals first crawl forth from the seas and spread across continents How has humanity s relationship with nature and technology shaped the world around us And ultimately how does each of us pick a path through life With a breathtaking arc that spans from the dawn of animal life to the digital era On Trails is a book that makes us see our world our history our species and our ways of life anew Book jacket flap

The Top Books of the Year Goodreads Choice Ideas The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. Goodreads Choice Ideas : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
