THE COMPLETE **Deep Purple**

Michael Heatley

The Complete Deep Purple

George Gordon Byron Baron Byron

The Complete Deep Purple:

The Complete Deep Purple Michael Heatley, 2005 From their progressive roots in The Book of Taliesyn to the classic albums In Rock, Fireball, Machine Head and Made in Japan, Deep Purple epitomized the sound of hard rock for an entire generation. Revered by their fans and reviled by followers of rival musical styles, only now is it really possible to look back and take stock of their achievements. Rock historian Michael Heatley looks in detail at every album of the group's original incarnation, from Shades of Deep Purple to Come Taste the Band and Made in Europe. Heatley also details the recording sessions and tours, the comings and goings of band personnel, the feuds and the final break up. The career of each band member after the split is also covered, as well as the group's wilderness years, the Knebworth reunion and the rebirth and new recordings.

Purple Records 1971-1978 Neil Priddey, 2014-07-07 Details of every UK release on the Purple Records label from 1971 to 1978 with full colour high quality photography throughout of labels, sleeves and inserts, along with detailed analysis and identification of the crucial 1st pressing details of every album and single. Essential reading for collectors of Purple Records. Following in the footsteps of Frank Zappa, The Beatles and The Rolling Stones, Deep Purple's entrepreneurial management team founded the band's own vanity record label in 1971. The brainchild of Tony Edwards and John Coletta, and along with additional Purple companies, served to control virtually every business and financial aspect of Deep Purple's musical output, including management, promotion, publishing and, of course, recording. The label signed a diverse range of additional artists with an eclectic mix of styles, some of which would seem to be incongruous with Deep Purple's own hard rock genre. The most comprehensively detailed book on the Purple Records label.

The Complete Works: Stones of Venice John Ruskin, 1894
