The Desert Peach 30 Headaches:

The Desert Peach Donna Barr, 2001 Stories about Pfirsich Rommel the fictional gay younger brother of the Desert Fox
The Desert Peach Donna Barr, **The Desert Magazine** ,1938 **Desert Magazine** ,1938 *Chemical Warfare*
Secrets Almost Forgotten James S Ketchum M D, James S. Ketchum, 2012-10 Chemical warfare watchers from scientists to
policy advocates often wonder what went on at the Army Chemical Center during the 1960s It was a decade in which
thousands of Army enlisted men served as volunteers for the secret testing of chemical agents The actual historical record
however has until now remained disturbingly incomplete What chemicals was the Army studying Why was the program never
fully documented in books available to the public Who planned and carried out the tests and what was their purpose How and
by whom were the volunteers recruited How adequately were they instructed before giving their informed consent What long
range effects if any have been found in follow up studies Written by the physician who played a pivotal role in psychoactive
drug testing of hundreds of volunteers the story breaks an official silence that has lasted almost fifty years Dr James Ketchum
may be the only scientist still equal to the task His book goes a long way toward revealing the contents of once classified
documents that still reside in restricted archives The author spent most of a decade testing over a dozen potential
incapacitating agents including LSD BZ and marijuana derivatives His 380 page narrative loaded with both old and recent
photographs derives from technical reports memoranda films notes and memories Written primarily for the general reader
but supplemented by a voluminous appendix of graphs and tables for the technically inclined Dr Ketchum s book combines a
subjective diary with an objective report of the external events that shaped and eventually terminated the program Informal
and autobiographical in style it includes numerous amusing anecdotes and personality portraits that make it simultaneously
