**The Deuteronomistic School** Raymond F. Person, 2002

**The Deuteronomistic History and the Book of Chronicles**

Raymond F. Person, Raymond F. Person (Jr.), 2010 This volume reexamines and reconstructs the relationship between the Deuteronomistic History and the book of Chronicles building on recent developments such as the Persian period dating of the Deuteronomistic History the contribution of oral traditional studies to understanding the production of biblical texts and the reassessment of Standard Biblical Hebrew and Late Biblical Hebrew These new perspectives challenge widely held understandings of the relationship between the two scribal works and strongly suggest that they were competing historiographies during the Persian period that nevertheless descended from a common source This new reconstruction leads to new readings of the literature *Dictionary of the Old Testament: Historical books* BILL T ARNOLD, HUGH G M

WILLIAMSON, 2020-05-21 The Dictionary of the Old Testament Historical Books is the second volume in IVP's Old Testament dictionary series This volume picks up where the Dictionary of the Old Testament Pentateuch left off with Joshua and Israel poised to enter the land and carries us through the postexilic period Following in the tradition of the four award winning IVP dictionaries focused on the New Testament this encyclopedic work is characterized by in depth articles focused on key topics many of them written by noted experts The history of Israel forms the skeletal structure of the Old Testament Understanding this history and the biblical books that trace it is essential to comprehending the Bible The Dictionary of the Old Testament Historical Books is the only reference book focused exclusively on these biblical books and the history of Israel Animals

as Religious Subjects Celia Deane-Drummond, Rebecca Artinian-Kaiser, David L. Clough, 2013-08-01 This book examines one of the most pressing cultural concerns that surfaced in the last decade the question of the place and significance of the animal This collection of essays represents the outcome of various conversations regarding animal studies and shows multidisciplinary at its very best namely a rigorous approach within one discipline in conversation with others around a common theme The contributors discuss the most relevant disciplines regarding this conversation namely philosophy anthropology religious studies theology history of religions archaeology and cultural studies The first section Thinking about Animals explores philosophical anthropological and religious perspectives raising general questions about the human perception of animals and its crucial cultural significance The second section explores the intriguing topic of the way animals have been used historically as religious symbols and in religious rituals The third section re examines some Christian theological and biblical approaches to animals in the light of current concerns The final section extends the implications of traditional views about other animals to more specific ethical theories and practices The Deuteronomistic History and the Book of Chronicles Raymond F. Person, 2010 This volume reexamines and reconstructs the relationship between the Deuteronomistic History and the book of Chronicles building on recent developments such as the Persian period dating of the Deuteronomistic History the contribution of oral traditional studies to understanding the production of biblical texts and the

reassessment of the relationship of Standard Biblical Hebrew and Late Biblical Hebrew These new perspectives challenge widely held understandings of the relationship between the two scribal works and strongly suggest that they were competing historiographies during the Persian period that nevertheless descended from a common source This new reconstruction leads to new readings of the literature

**The Legislative Themes of Centralization** Jeffrey G. Audirsch, 2014-08-12 The centralization of the cult mandate in Deuteronomy has captivated scholars for over two centuries Related to this mandate are five legislative themes abrogation of idolatry tithing the Israelite festival calendar judiciary officials and the priesthood Collectively these themes are interwoven into the Deuteronomistic social political and religious infrastructure Interpreted through an exilic lens this study examines the themes through the relevant literary strata in the Enneateuch In doing so the themes are identified as playing an instrumental role in the demise of the divided monarchy It is through the demise of the divided monarchy that the book of Deuteronomy especially the centralization mandate takes on a new meaning a utopian desire Thus the rhetorical strategy of centralization once contrived to unify and purify the cult actually leads to failure and serves as motivation for reform during the exilic period

*Deuteronomy in the Making* Diana Edelman, Kåre Berge, Philippe Guillaume, Benedetta Rossi, 2021-08-23 A number of long standing theories concerning the production of Deuteronomy are currently being revisited This volume takes a fresh look at the theory that there was an independent legal collection comprising chs 12-26 that subsequently was set within one or two narrative frames to yield the book with ongoing redactional changes Each contributor has been asked to focus on how the core might have functioned as a stand alone document or if exploring a theme or motif to take note of commonalities and differences within the core and frames that might shed light on the theory under review Some of the articles also revisit the theory of a northern origin of the core of the book while others challenge de Wette's equation of Deuteronomy with the scroll found during temple repairs under Josiah With Deuteronomistic studies in a state of flux this is a timely collection by a group of international scholars who use a range of methods and who in varying degrees work with or challenge older theories about the book's origin and growth to approach the central focus from many angles Readers will find multivalent evidence they can reflect over to decide where they stand on the issue of Deuteronomy as a framed legal core

**Development of an Icon** John W. Herbst, 2016-10-31 The most extensive royal accounts in the Hebrew Bible are those of kings David the Succession Narrative usually identified as 2 Sam 9-20 and 1 Kgs 1-2 and Solomon the Solomon Story 1 Kgs 3-11 Yet even though Solomon immediately follows David in the Deuteronomistic History little has been done to correlate these accounts But what if these passages were meant to be read together Utilizing the Double Redaction theory Herbst proposes that an exilic Deuteronomist inserted the Succession Narrative into the Deuteronomistic History then revised the Solomon Story in light of this addition His key contribution was 1 Kings 1-2 a passage designed to connect the two larger sections highlighting the similarities and differences of the two kings Interpreting the composition history of 2 Samuel and 1 Kings in this way gives new insight into the Deuteronomist's views

regarding kings and kingship This approach also solves many of the problems of the Solomon story in which the narrator appears to simultaneously praise and criticize Solomon And along the way Herbst offers new insights into individual passages further enhancing our understanding of the message of the Deuteronomistic History **Jeremiah in History and**

**Tradition** Jim West, Niels Peter Lemche, 2019-10-08 Jeremiah in History and Tradition examines aspects of the Book of Jeremiah from a variety of perspectives including historical textual redaction and feminist criticism as well as the history of its reception The book looks afresh at the Book of Jeremiah through the lens of intertextuality and reception history in the broadest sense exploring Jeremiah in its historical context as well as the later history and interpretation of the text and also reconsidering aspects of the Book of Jeremiah's traditions This volume features essays from a unique assembly of scholars both seasoned and new It is divided into two parts Jeremiah in History which explores a variety of readings of Jeremiah from the point of view of classical historical criticism and Jeremiah in Tradition which discusses the portraits and use of both the book and the figure of Jeremiah in extra biblical traditions Offering challenging new theories Jeremiah in History and Tradition is invaluable to scholars and students in the field of Biblical Studies It is a useful resource for anyone working on the interpretation of the biblical text and the readings of the text of Jeremiah throughout history **The So-Called**

**Deuteronomistic History** Thomas Romer, 2007-07-17 Originally published London New York T T Clark c2005 **The Function of Ancient Historiography in Biblical and Cognate Studies** Patricia G. Kirkpatrick, Timothy D. Goltz, 2008-05-15 This book provides a series of essays from members of the Canadian Society of Biblical Studies Special Seminar on Ancient Historiography *International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences*, 2003 **Linguistic Dating of Biblical Texts** Ian Young, 2008

**American Book Publishing Record**, 2002 *Elenchus of Biblica*, 2005 **AAR/SBL Annual Meeting Program** American Academy of Religion. Meeting, 2002 **Serie B--Skripter**, 2009 **David Observed** Keith Bodner, 2005 From his earliest anointing in 1 Samuel 16 until his deathbed discourse in 1 Kings 2 David is surrounded by a remarkable cast of supporting characters an ensemble whose varying perspectives on him create some of the complexity of this royal character in the biblical narrative David's older brother Eliab speaks only once to his younger sibling but this conversation has significant implications for the larger narrative The encounter with Ahimelech the priest in 1 Samuel 21-22 in many ways symbolizes the crossing fates of David and Saul in the sanctuary at Nob Abner is the rival general who wants to make a deal but his actions are difficult to gauge does he have his own set of royal ambitions Joab is pre eminently a man of action and a key commander of David's troops but this military figure surprisingly turns out to be as well an innovative reader and royal exegete Nathan the prophet has a tendency to surface at pivotal moments in the story as a decisive influence on the spiritual and political affairs of the king Ahithophel is a senior counsellor in the Davidic administration who becomes mysteriously embittered against David in the rebellion of Absalom in narratives about him there is a confluence of tangled motives and

prophetic words Finally Solomon is the younger son who accedes to the coveted Davidic throne and curiously shares traits with his ancestor Jacob and has a swearing problem in 1 Kings 1 2 *Military Practice and Polemic* Michael G. Hasel, 2005 His in depth study has notable implications for placing Israel s laws of warfare in their original context BOOK JACKET

**The Deuteronomist's Prophet** Lissa M Wray Beal, 2007-09-20 This book explores by way of narrative analysis the story of Jehu s revolt in 2 Kings 9 and 10 and the tensions and ambiguities surrounding the evaluation of Jehu that it contains In the narrative the Deuteronomist writes in many voices the prophet s the Lord the narrator even Jehu himself The tension within the Jehu narrative arises in the interaction of the various voices and careful study of these narrative voices reveals two primary criteria for evaluating Jehu 1 faithful observance of correct Deuteronomistic worship that is true Yahwistic worship in the Jerusalem Temple and 2 faithful obedience to the prophetic word Each criterion is expressed in the narrative and as a means of finally resolving the ambiguity of the evaluative voices the narrative presents the criterion of worship in supersession over the criterion of the prophetic word The narrative analysis shows how the Jehu narrative connects linguistically thematically and analogically to the larger Deuteronomistic History and provides rubrics under which a Deuteronomistic theology of kingly legitimation can be examined The theology that arises from the Jehu narrative in respect of kingly legitimation traced through the criteria of proper worship and the prophetic word at times adds unique emphases to the theology of kingly legitimation presented in the history At other times it stands seamlessly with the theology of the larger history At all times the theology of worship and word shows the Jehu narrative ultimately cannot be read successfully or fully in isolation from the surrounding text and the theology presented there
