**The Publishers Weekly**, 1990    Growing Up Global Homa Sabet Tavangar, 2009-08-25 In today's increasingly interconnected world how do we prepare our children to succeed and to become happy informed global citizens? A mother of three Homa Sabet Tavangar has spent her career helping governments develop globally oriented programs and advising businesses on how to thrive abroad. In *Growing Up Global* Tavangar shares with all of us her parenting toolbox to help give our children a vital global perspective. Whether you're mastering a greeting in ten different languages, throwing an internationally themed birthday party, or celebrating a newfound holiday, *Growing Up Global* provides parents and children with a rich, exciting background for exploring and connecting with far-flung nations they may have only heard about on television. Inside you'll discover fun activities, games, and suggestions for movies, music, books, magazines, service activities, and websites for expanding your family's worldview. Simple explanations that will help your children grasp the diversity of world faiths, creative ways to gain geography literacy, handy lists of celebrations and customs that offer a fascinating look at how people from different cultures around the world live everyday life. *Growing Up Global* is a book that parents, grandparents, and teachers can turn to again and again for inspiration and motivation as they strive to open the minds of children everywhere.

Young Women's Lives Facilitator's Guide - Item 5424,    **Children's Books in Print, 2007**, 2006    **Gender and Literacy** Karen A. Krasny, 2013-02-27 This work offers parents, educators, and librarians a practical guide to discovering the ways gender identities are constructed through literacy practices, providing recommendations for addressing gender inequities in schools and in the community at large. *Gender and Literacy: A Handbook for Educators and Parents* focuses on issues related to the gendered experience of students from pre-kindergarten through grade 12, promoting an understanding that the issues surrounding gender cannot be reduced to broad generalizations. Author Karen A. Krasny seeks to make clear the complex notion of gender construction within the context of redefining what constitutes legitimate literacy practices in schools. This handbook will help to guide educators, parents, and librarians by assisting them in the selection and evaluation of print and media resources. The first chapter explains the need to understand the complex relationship between gender and literacy. The bulk of the book provides readers with a critical review of the studies conducted to investigate gendered literacy practices while the last three chapters focus on actionable strategies and policy making.    Teaching the Holocaust Simone Schweber, Debbie Findling, 2007 Teaching about the Holocaust is necessarily an act of shaping memory, of forging the consciousness students have. *Teaching the Holocaust* is written to help teachers help their students to define their understandings of this difficult period in our history.    *The Devil's Arithmetic* Jane Yolen, 2005-04 Hannah resents the traditions of her Jewish heritage until time travel places her in the middle of a small Jewish village in Nazi-occupied Poland.
