Discourse, Politics and Women as Global Leaders John Wilson, Diana Boxer, 2015-10-15 Discourse Politics and Women as Global Leaders focuses on the discourse practices of women in global political leadership It provides a series of discursive studies of women in positions of political leadership Political leadership is defined as achieving a senior position within a political organization and will often indicate a senior role in government or opposition The volume draws on a diverse collection of studies from across the globe reflecting a variety of cultures and distinct polities The primary aim is to consider in what way s discursive practice underpins reflects or is appropriated in terms of women s political success and achievements within politics The chapters employ differing theoretical approaches all bound by the discursive insights they provide and in terms of their contribution to understanding the role of language and discourse in the construction of gendered identities within political contexts

Discourse Analysis and Austerity Kate Power, Tanweer Ali, Eva Lebdušková, 2019-03-04 In the immediate aftermath of the global financial crisis of 2008 governments around the developed world coordinated policy moves to stimulate economic activity and avert a depression In subsequent years however cuts to public expenditure or austerity have become the dominant narrative in public debate on economic policy This unique collaboration between economists and linguists examines manifestations of the discourses of austerity as these have played out in media policy and academic settings across Europe and the Americas Adopting a critical perspective

it seeks to elucidate the discursive and argumentation strategies used to consolidate austerity as the dominant economic policy narrative of the twenty first century The Politics of Fear Ruth Wodak,2015-09-26 Winner of the Austrian Book Prize for the 2016 German translation in the category of Humanities and Social Sciences Populist right wing politics is moving centre stage with some parties reaching the very top of the electoral ladder but do we know why and why now In this book Ruth Wodak traces the trajectories of such parties from the margins of the political landscape to its centre to understand and explain how they are transforming from fringe voices to persuasive political actors who set the agenda and frame media debates Laying bare the normalization of nationalistic xenophobic racist and antisemitic rhetoric she builds a new framework for this politics of fear that is entrenching new social divides of nation gender and body The result reveals the micro politics of right wing populism how discourses genres images and texts are performed and manipulated in both formal and also everyday contexts with profound consequences This book is a must read for scholars and students of linguistics media and politics wishing to understand these dynamics that are re shaping our political space The Politics of Fear Ruth Wodak,2020-10-12 Far right populist politics have arrived in the mainstream We are now witnessing the shameless normalization of a political discourse built around nationalism xenophobia racism sexism antisemitism and Islamophobia But what does this change mean What caused it And how does far right populist discourse work The Politics of Fear traces the trajectory of far right politics from the margins of the political landscape to its very centre It explores the social and historical mechanisms at play and expertly ties these to the micro politics of far right language and discourse From speeches to cartoons to social media posts Ruth Wodak systematically analyzes the texts and images used by these groups laying bare the strategies rhetoric and half truths the far right employ The revised second edition of this best selling book includes A range of vignettes analyzing specific instances of far right discourse in detail Expanded discussion of the normalization of far right discourse A new chapter exploring the challenges to liberal democracy An updated glossary of far right parties and movements More discussion of the impact of social media on the rise of the far right Critical analytical and impassioned The Politics of Fear is essential reading for anyone looking to understand how far right and populist politics have moved into the mainstream and what we can do about it The European Public Sphere and the Media Anna Triandafyllidou,Ruth Wodak,Michal Krzyzanowski,2009-06-25 This book contributes to the theoretical and policy debates on the existence and development of a European public sphere It presents a critical discussion of the links between media history and politics in Europe by looking at the re organization of ideological and political determinants such as Left Right or East West and debating the existence of a European editorial culture The volume also examines how international crises have been debated in national media in Europe throughout the post war period It looks empirically at the national media coverage of eight crisis events the 1956 revolution in Budapest the building of the Berlin Wall in 1961 the May 1968 youth revolt in Paris the events of August 1968 in Prague the declaration of a state of war in Poland in 1981 the fall of the Berlin Wall in 1989 the outbreak of

the Second Gulf War in 2003 and the Mohammed cartoons crisis in 2006 The Saturday Review of Politics, Literature, Science and Art ,1872 The Politics of Affirmative Action Carol Lee Bacchi,1996-12-04 2 Setting the Stage **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1886 *The Influence of Aristotle's "Politics" and "Ethics" on Spenser* William Fenn De Moss,1918 **Usual Politics** George Beam,1970 **Saturday Review of Politics, Literature, Science and Art** ,1896 **The British National Bibliography** Arthur James Wells,2009 *Neoliberal Discourse and the Crisis of Politics and Culture* José Leopoldo Artiles-Gil,2002 *The Politics of Official Discourse in Twentieth-century South Africa* Adam Ashforth,1990 This study uses a close reading of a series of major commission reports into the Native Question to examine the formation and reproduction of state power in South Africa Analyzing the framework governing authoritative ways of speaking of for and to Blacks once called Natives Ashforth demonstrates how officially approved forms of knowledge of Native Life substitute for political representation by Africans and continually serve to justify repression He examines the terms used by those who acting in the name of the state strive to represent apartheid as necessary practical and just Tracing the history of official discourse on the political status of African labor the work illuminates the central contradictions in the politics of this repressive and exploitative regime **Religion in America** Julia Mitchell Corbett,Julia Corbett Hemeyer,1999-07 For undergraduate courses in Religion in America Concise yet thorough this text introduces the vast variety of religious groups and activities both ecclesiastical and popular that make up the American religious picture today It presents the academic study of religion within the context of the humanities discussing religion in a spirit of mutual exploration and learning rather than in terms of what is right and wrong Coverage emphasizes the current state of today s religions paying particular attention to the religious diversity found in the United States **Historical tracts. Political poetry. Poems chiefly relating to Irish politics** Jonathan Swift,Sir Walter Scott,1883 **Augustine and Politics as Longing in the World** John von Heyking,2001 Rather than showing Augustine as supporting the Christian church s domination of politics von Heyking argues that he held a subtler view of the relationship between religion and politics one that preserves the independence of political life
