The Dragon Princess Tales Of The Frog Princess 6:

The Dragon Princess E.D. Baker, 2011-02-01 With E D Baker's trademark humor wacky animal and human characters and almost all new cast this is the story of Emma's daughter Millie who is trying to survive being a magical princess who happens to keep turning into a dragon When she cannot stop her own magic any other way she and three friends one vampire one troll and her cousin a young wizard prince set off for the Frozen North and the Blue Witch Together the motley group battles fearsome bears saves imprisoned dragons and find their way home in style with Millie having gained control of her dragon magic

The Truest Heart E.D. Baker, 2016-10-11 Born to be a tooth fairy Cory Feathering has been busy proving there's another life meant for her one of matchmaking She's already helped Marjorie Muffet and Goldilocks find true love and now it's Mary Lambkin's turn When Cory has a vision of Mary with one particular boy Cory knows exactly what to do But it's Cory's own personal life that needs help The Fairy Guilds are constantly hounding her furious that she's abandoned the guild she was born into in favor of choosing her own path They won't stop until justice has been served As Cory prepares to fight for what she believes in she must decide once and for all if she's prepared to take on the responsibility of her biggest role yet one that will change her destiny forever This fun and joyful third book in E D Baker's Fairy Tale Matchmaker series is perfect for fans of fairytale retellings

Royalty in Twenty-First Century Children's and Young Adult Literature Amie A. Doughty, 2023-11-15 Doughty examines contemporary children's and young adult YA literature featuring royal characters through a folkloric lens and shows different ways authors transform the traditional royal characters from folktales and Disney films She shows how princes and princesses are more progressive than their predecessors through expanding gender roles She also demonstrates how different types of abdication work to transform readers' expectations of royals and how they reach a happy ending different from traditional folktales and Disney Finally employing Rudine Sims Bishop's ideas about mirrors windows and sliding glass doors she explores how queer royals and royals of color offer new mirrors for children and young adults Each chapter presents a typology of royal books related to the topic and explains how they work to transform the folktale tradition Doughty concludes with a discussion of the transformational gaps remaining in royal children's and YA literature
