The Early Train To Mindelo Poker Politics And Painkillers:

The Early Train to Mindelo Walter Aschiero, 2018-03-22 A physician at a pain management clinic in South Florida is trapped by the sheriff's office in a crooked sting operation. He flees to Europe aboard a cruise ship and disembarks in Portugal where he discovers the poker room at the seaside resort of Povo de Varzim. The Saturday night no limit hold'em games bring together wealthy European players making it possible for someone with knowledge of the game and unyielding discipline to scratch out a living playing poker. He decides to settle down well aware that he may someday have to resume his journey as a fugitive. Walter Aschiero narrates the story of a man whose life is torn apart by an institution that has turned against those it was meant to protect. He's humiliated, persecuted, hunted. Yet the human spirit perseveres for the human spirit is stronger than any institution. *The Early Train to Mindelo* a novel of poker, social protest and political intrigue, a novel of our day and time.
