The Demons Apprentice:

The Demon's Apprentice Ben Reeder, 2014-12-29 At fifteen Chance Fortunato has seen more evil than most people ever will. Indentured by his father to the demon count Dulka, he's been taught dark magick and forced to do his Infernal master's dirty work for eight years. But now Chance has figured out a way to defeat his master and free himself. His new life with his mother and sister is far from easy and freedom has its own perils. Normal life is hard enough, but even in a mundane-looking high school, there are paranormal threats from both sides of the mystical fence. When his new mentor is murdered, Chance knows he is the only one who can track the killer down. To bring his mentor's killer to justice, Chance will have to fight evil on its own terms and discover if that makes him a hero or a monster.

The Last Apprentice: Clash of the Demons Joseph Delaney, 2009-08-25 Tom is reunited with his mother and must return to Greece to face a new and terrible threat from the dark forces, and a momentous decision must be made, causing a serious rift between Tom and the Spook that threatens to separate them forever.

The Last Apprentice Joseph Delaney, 2009-10-14 April Fool. *The Apprentice's Sorcerer* Ishay Landa, 2009-11-23 20th-century European Fascism is conventionally described by both historians and political scientists as a fierce assault on liberal politics, culture, and economics. Departing from such typical analysis, this book highlights the long-overlooked critical affinities between liberal tradition and fascism. Far from being the antithesis of liberalism, fascism, both in its ideology and its practice, was substantially if dialectically indebted to liberalism, particularly to its economic variant. Fascism ought to be seen centrally as an effort to unknot the long-durée tangle of the liberal order as it finally collided head-on with mass democracy. This brilliantly provocative thesis is sustained through innovative and incisive readings of seminal political thinkers from Locke and Burke to Proudhon, Bagehot, Sorel, and Schmitt.

The Apprentice's Incubus Diana Waters, Used to life on the street, Finn never expected to be hired by a magician after saving him from a rival street gang, let alone a magician with a penchant for book hoarding and performing occasionally exploding experiments. But Master Kestrall is a kind-hearted man, even if he sends Finn on far too many errands to the bookstore. After all, Finn is infatuated with Jonti, the master bookkeeper's handsome apprentice. The only problem is Finn has absolutely no experience in matters of the body and no idea how to go about acting upon his feelings. That all changes when, on one of his regular trips to the Crow's Nest, Finn brings home a certain book that holds some very rare knowledge. Indeed, and when Finn accidentally, on purpose, summons an incubus into his midst, nothing will ever be the same again.

The writers of the Novelitics Writers Collective found quite a few at the corner of 3rd Oak. As it turns out, 3rd Oak is the place to find hidden compartments from which to view the neighbors' demons who create graffiti and demons who spew grief, portal-traveling witches, stolen bags of gold, lost sisters, and maybe even the man who is trying to kill you.
