The Devil Walks In Mattingly:

The Devil Walks in Mattingly Billy Coffey, 2014-03-18 For the three people tortured by their secret complicity in a young man's untimely death redemption is what they most long for and the last thing they expect to receive It has been twenty years since Philip McBride's body was found along the riverbank in the dark woods known as Happy Hollow His death was ruled a suicide But three people have carried the truth ever since Philip didn't kill himself that day He was murdered Each of the three have wilted in the shadow of their sins Jake Barnett is Mattingly's sheriff where he spends his days polishing the fragile shell of the man he pretends to be His wife Kate has convinced herself the good she does for the poor will someday wash the blood from her hands And high in the mountains Taylor Hathcock lives in seclusion and fear fueled by madness and hatred Yet what cannot be laid to rest is bound to rise again Philip McBride has haunted Jake's dreams for weeks warning that he is coming back for them all When Taylor finds mysterious footprints leading from the Hollow he believes his redemption has come His actions will plunge the quiet town of Mattingly into darkness These three will be drawn together for a final confrontation between life and death between truth and lies Coffey has a profound sense of Southern spirituality His narrative moves the reader from a false heaven to a terrible hell then back again to a glorious grace

Zach leave the city behind and push into the inky forest on the outskirts of Mattingly For Allie the journey is more than a ghost hunt she is rejoining the mother she lost and finding herself with each step deeper into the heart of the dark wood Brimming with lyrical prose and unexpected discoveries In the Heart of the Dark Wood illustrates the steep transition we all must undergo the moment we shed our childlike selves and step into the strange territory of adulthood **In the Heart of the Dark Wood** Billy Coffey,2014-11-18 A motherless girl hungry for hope and the dream that could be leading her astray Almost two years have passed since twelve year old Allie Granderson s beloved mother Mary disappeared into the wild tornado winds Her body has never been found Allie clings to memories of her mother just as she clings to the broken compass she left behind the makeshift Nativity scene in the front yard and her best friend Zach But even with Zach at her side the compass on her wrist and the Nativity right outside the window Allie cannot help but feel lost in all the growing up that must get done When the Holy Mother disappears from the yard Allie s bewilderment is compounded by the sudden movement of her mother s compass Following the needle Allie and Zach leave the city behind and push into the inky forest on the outskirts of Mattingly For Allie the journey is more than a ghost hunt she is rejoining the mother she lost and finding herself with each step deeper into the heart of the dark wood Brimming with lyrical prose and unexpected discoveries In the Heart of the Dark Wood illustrates the steep transition we all must undergo the moment we shed our childlike selves and step into the strange territory of adulthood *The Curse of Crow Hollow* Billy Coffey,2015-08-04 With the profound sense of Southern spirituality he is known for Publishers Weekly Billy Coffey draws us into a town where good and evil and myth and reality intertwine in unexpected ways Everyone in Crow Hollow knows of Alvaretta Graves the old widow who lives in the mountain Many call her a witch others whisper she s insane Everyone agrees the vengeance Alvaretta swore at her husband s death hovers over them all That vengeance awakens when teenagers stumble upon Alvaretta s cabin incurring her curse Now a sickness moves through the Hollow Rumors swirl that Stu Graves has risen for revenge And the people of Crow Hollow are left to confront not only the darkness that lives on the mountain but the darkness that lives within themselves Coffey spins a wicked tale *The Curse of Crow Hollow* blends folklore superstition and subconscious dread in the vein of Shirley Jackson s *The Lottery* Kirkus Reviews *When Mockingbirds Sing* Billy Coffey,2013-06-11 Nine year old Leah s invisible friend seems harmless enough until she begins to paint the future Suddenly the townspeople are divided between those who see her as a prophet and those who fear the danger she represents Caught in the middle is Leah s agnostic father who clashes with a powerful town pastor over Leah s prophecies and what to do about them Leah is a child from Away isolated from her peers because of her stutter After her family moves to Mattingly she begins painting scenes that are epic in scope brilliant in detail and suffused with rich prophetic imagery When the event foreshadowed in the first painting dramatically comes true the town takes notice Leah attributes her ability to foretell the future to an invisible friend she calls the Rainbow Man Some of the townsfolk are enchanted with her Others fear her But there is one thing they all agree on

there is no such thing as the Rainbow Man The town minister is unraveled by the notion that a mere child with no formal training may be hearing from God more clearly than he does While the town bickers over what to do with this strange child the content of Leah s paintings grows darker Still Leah insists that the Rainbow Man s heart is pure Then a dramatic and tragic turn of events leaves the town reeling and places everyone s lives in danger The people of Mattingly face a single choice will they cling to what they know or embrace the things Leah believes in that cannot be seen Supernatural standalone novel Includes discussion questions for book clubs Other books by Billy Coffey Snow Day Paper Angels The Devil Walks in Mattingly and In the Heart of the Dark Wood

There Will Be Stars Billy Coffey,2016-05-03 IN A LIFE FULL OF LIES HE FINALLY SETTLED FOR THE TRUTH No one in Mattingly ever believed Bobby Barnes would live to see old age Drink would either rot Bobby from the inside out or dull his senses just enough to send his truck off the mountain on one of his nightly rides Although Bobby believes such an end possible and even likely it doesn t stop him from taking his twin sons Matthew and Mark into the mountains one Saturday night A sharp curve blinding headlights metal on metal his sons screams Bobby s final thought as he sinks into blackness is a curious one There will be stars Yet it is not death that greets him beyond the veil Instead he returns to the day he has just lived and finds he is not alone in this strange new world Six others are trapped with him Bobby soon discovers that this supposed place of peace is actually a place of secrets and hidden dangers Along with three others he seeks to escape even as the world around him begins to crumble The escape will lead some to greater life others to endless death and Bobby Barnes to understand the deepest nature of love
