The Disciple Making Pastor:

The Disciple-Making Pastor Bill Hull, 2007-10-01 Christ commanded the church to make disciples to produce people who love and obey God bear fruit and live with joy The crisis at the heart of the church is that we often pay lip service to making disciples but we seldom put much effort behind doing it For the pastor who is ready to put words into action The Disciple Making Pastor offers the inspiration and practical know how to do so Bill Hull shows pastors the obstacles they will face what disciples really look like the pastor's role in producing them and the practices that lead to positive change He also offers a six step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church *Jesus Christ, Disciplemaker* Bill Hull, 2004-02-01 Thomas doubted Peter denied Matthew had a shady past And most of Jesus disciples had trouble understanding his true message and mission at times How did Jesus take lowly fishermen and tax collectors and turn them into some of the most influential men that ever lived And how can modern church leaders empower regular church members to meet their potential as servants of God In *Jesus Christ Disciplemaker* Hull outlines Christ's methods in training his twelve disciples and presents a biblical pattern that emulates Christ's model for reaching the lost By taking readers through four growth phases evangelizing establishing equipping and leading Hull shows how these principles can be adapted for any discipler *Jesus Christ Disciplemaker* is the perfect resource for pastors and church leaders who want to learn how to help others grow in God's service The Disciple-Making Church Bill Hull, 2010-06-15 A classic in Christian discipleship for twenty years this updated edition shows why disciple making should be the focus of every believer's life *Replicate* Robby Gallaty, Chris Swain, 2020-06-02 A Practical Guide to Creating and Sustaining a Culture of Disciple Making in Any Church Over the last few decades American churches have produced plenty of converts but not as many mature believers Studies show the majority of Christians don't even understand the basics of faith But how do you tackle such a big problem *Replicate* shows church leaders how to make disciples who make disciples and get the rest of your church on board as well This one on one relational ministry is how Jesus laid the foundation for His church that is still growing today and it's how we continue the work in our own local congregations Learn the five marks of a healthy disciple making church how to influence culture uproot misconceptions of the church and the gospel and change your church and community No more focusing on mere numbers it's time to grow in maturity and through multiplication **The Disciple Making Pastor** Bill Hull, 1988 **The Disciple Making Church** Glenn McDonald, 2004 Newly expanded and revised edition of bestseller about changing from a program based church to a church making disciples **Choose the Life** Bill Hull, 2004-05 Jesus wants mature disciples This book shows how to squeeze joy out of sorrow truth from pain and make permanent advances for the Savior *The False Promise of Discipleship* Bill Hull, Brandon Cook, 2019-12 This book deftly raises the issue that church leaders need to grapple with today and in all generations Bobby Harrington co founder of Discipleship org and Renew org Avoid a major pitfall Most disciple making efforts today fail because they focus on me

discipleship gets me closer to God makes me a better Christian and helps me gain purpose in life But Jesus style discipleship focuses on God and his kingdom How can we relearn this simple yet profound truth when so many people today have embraced the American gospel of me And how can we teach this to others Bill Hull and Brandon Cook tell readers to stop asking How am I doing Instead they teach us to ask God centered questions This reorientation changes everything The False Promise of Discipleship implores readers to stop asking the wrong questions and to start making disciples the way Jesus made disciples This short book equips you with practical takeaways so you can thrive as a disciple maker Written for disciples at all stages of growth it challenges common assumptions that may be undermining your disciple making efforts Based on their personal experience as pastors authors Hull and Cook provide you with a scriptural gospel centered approach to becoming a thriving disciple and disciple making leader Learn to ask the right questions and avoid some of the most pervasive yet common pitfalls among disciple makers today Take a quantum leap toward Jesus style disciple making Walk away with a new framework and the right questions you need to follow Jesus faithfully amidst the all pervasive American gospel BILL HULL is a co founder of The Bonhoeffer Project and author of Conversion and Discipleship along with over twenty other books about discipleship He speaks as a persevering prophet on the topic of discipleship around the nation BRANDON COOK serves as Lead Pastor at Long Beach Christian Fellowship and is a co founder of The Bonhoeffer Project He is also the author of Learning to Live and Love Like Jesus

Conversion and Discipleship Bill Hull, 2016-01-12

Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of Jesus A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus Being a follower is seen as an optional add on not a requirement It is a choice not a demand Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ In this ground breaking new book pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion answering the call to follow Jesus and discipleship living like the one we claim to follow
