*Threads of Joy* Sharlene MacLaren, 2014-06-30 Joy Westfall seems too young to be jaded but the twenty eight year old has already weathered more hardship and sorrow than most people twice her age She moves home to Paris Tennessee with her three year old daughter the only good thing to have come from her mistake of a marriage and sets up housekeeping as well as her tailoring business in a tiny abode she inherited from her aunt She doesn't much mind living on the outskirts of town especially since the residents of Paris seem disinclined to welcome a divorcee The same is true of the congregants of the church next door Just as well Joy doesn't need their sympathy Lucas Jennings feels blessed to be shepherding his own congregation so early in life Since his arrival attendance at Paris Evangelical Church has swelled of course it can't hurt that he's an eligible bachelor Single women flock to the church from all over Henry County yet none of them not even the most pious manages to capture his attention quite like the newcomer next door who is hungry for the gospel but unwilling to admit it A spark ignites between the scandalous divorcee and the upright pastor but Joy's rocky past has made her wary of male attention and her feelings of failure not to mention her disbelief in a God of love drives an even deeper wedge between them Moreover Lucas puts the brakes on their budding friendship when his congregants begin to question his intentions When an unforeseen danger threatens Joy and her daughter will the tight knit town stand by and watch Or will they open their hearts to the God of mercy and allow Him to do an unexpected work

*Heart of Mercy* Sharlene MacLaren, 2013-11-25 Mercy Evans has known a great deal of heartache and hardship in her twenty six years She lost her mother at a young age and was only sixteen when her father was killed in 1880 in a brawl sparked by a family feud spanning several generations Yet Mercy never doubts the presence and provision of her heavenly Father When a house fire claims the lives of her two best friends leaving their two young sons as orphans Mercy offers to be their guardian It seems simple enough until the judge mandates that the boys be placed with a married couple Samuel Connors is a man adrift Despite the success of the blacksmith business he inherited from his father he senses a void unaffected by material rewards All he knows is that he's ready to move out from under his manipulative mother's roof When the lovely Mercy Evans advertises for a husband he finds himself strangely inclined to respond But what would she want to do with the man whose father is now serving a life sentence for the murder of hers Mercy is determined to do whatever it takes to win custody of the Watson boys But marry a mortal enemy of the Evans family God alone can give her the heart to go through with it

*Gift of Grace* Sharlene MacLaren, 2015-01-09 It was a leap of faith for Grace Fontaine to bid farewell to her beloved fiancé Jess Quinn and send him on a four month stint on the transatlantic luxury liner the Lone Star But the trip from Boston to London and back again would increase his salary five fold and would bring the couple that much closer to realizing their dream of marrying and starting a family When Grace learns that the ship was captured by pirates her hope deflates and it eviscerates entirely at the news that the pirate ship was destroyed with no survivors reported Two years later Grace receives word from a doctor in Paris Tennessee that her wealthy

great aunt Iris Brockwell is on her deathbed and requires round the clock care Grace volunteers figuring there is nothing left for her in Boston It isn't long after her arrival in Paris that she meets a charming driven lawyer named Conrad Hall who wastes no time sweeping her off her feet and soon proposes marriage Given his promises to love protect and care for her and her great aunt how can Grace refuse Weeks before the wedding an unexpected guest shows up and threatens to throw a wrench in the plans Will Grace go through with her marriage to Conrad Or will an unforeseen turn of events change her mind
